

Resolution authorizing early replacement of three Water Utility vans approved as part of the 2016-2020 Capital Equipment Program.

**RESOLUTION**

**WHEREAS**, the Water Utility has three (3) vans (WTR-VAN-17, WTR-VAN-19 & WTR-VAN-25) that have been approved for replacement as part of the approved 2016-2020 Capital Equipment Program.

**WHEREAS** these vehicles will likely require additional maintenance and repairs before the usual, scheduled replacement after January 1, 2016, and these additional repairs could exceed the trade-in values for the vehicles.

**WHEREAS** there are currently extra government fleet pricing concessions available that will expire on November 1, 2015.

**WHEREAS**, the City Purchasing Buyer has prepared bid documents, researched potential costs for these Water Utility vans.

**NOW, THEREFORE, BE IT RESOLVED** by the Common Council of the City of La Crosse that the Water Utility is authorized to proceed with the early purchase and replacement of three (3) Utility vans, in the amount not to exceed \$72,000, including trade-ins, as listed in the approved 2016-2020 Capital Equipment Program, to avoid additional repairs and downtime, and to take advantage of current government pricing incentives.

**BE IT FURTHER RESOLVED** that the costs for the vans be appropriated from Water Utility funds.

**BE IT FURTHER RESOLVED** that City staff is hereby authorized to take any and all steps necessary to effectuate this resolution.
