Mayor Kabat and City Council Members,

I have been informed that the council is considering the reduction of fees due to the extreme circumstances we are currently facing with the Covid-19 virus.

I want to thank you for considering this action. As I am sure you have been informed, the bar and restaurant industry is currently facing extremely tough times. We are all working optimistically to get back open, but we know it will be a significant period of time before we see consumer confidence return to previous levels.

We greatly appreciate your consideration and ask for your support.

Thanks much and be well. All of us look forward to serving you again soon.

Ryan R. Johnson
