Common Council,

The City of La Crosse Parks, Recreation and Forestry Department has submitted the attached petition for Change of Zoning for Parcel number 17-10264-10. This parcel is one of three parcels that make up Badger Hickey Park. Badger Hickey Park is scheduled for a park update this spring to include a new play structure, pour-in-place surfacing, water fountain, improved sidewalks and patio space, upgrade lighting, and landscaping. The Parks Department is requesting to rezone parcel 17-10264-10 from R1 – Single Family, M2 – Heavy Industrial, and C2 Commercial to PS – Public and Semi Public. With the approval of this zoning change we will then make a request to the City Assessors Department to combine the three parcels that make up the park (17-10264-20, 17-10264-10, 17-10191-80). This will allow the contractor to apply and secure all required permits and get started on another beautiful park project.

Respectfully,

Dan Trussoni, CPRP
