Dear Mr. Lenz:

Enclosed is an invoice from the Municipal Environmental Group (MEG) - Water Division, to your community for 2020. You have the option of paying membership charges for the entire year or paying bi-annually. Also enclosed is a table showing the charges being billed to all water members. The current charge is \$.10 per person in your service area based on your current population for 2020, with a minimum charge of \$100 per year and a maximum charge of \$2,000. Please feel free to talk to Water Steering Committee members from your DNR Region or me if you have any questions about membership charges.

Please return a check by March 31, 2020 payable to: "Municipal Environmental Group - Water Division." These checks should be sent to the address shown above and on the invoice, "attention Charlene Beals".

A separate bank account has been established in Madison for the MEG - Water Division. Your check will be deposited in that account, and only expenditures authorized by the Water Steering Committee will be paid from that account.

Also enclosed is a membership directory. Please review your listing and if a correction is necessary, contact Charlene Beals at 608-283-1723 or cbeals@boardmanclark.com.

If you have any questions about the enclosed invoice or other financial matters regarding MEG - Water Division, please feel free to call me at 920-832-6316.

Very truly yours,

MUNICIPAL ENVIRONMENTAL GROUP
- WATER DIVISION
