Good afternoon,

I am just writing in to support of the delay of demolition on the West Ave 360 Realty property. As part of the La Crosse County Health Depts. Response to COVID-19 we are tasked with providing shelter to those whom can not do so, if/when their lives are touched by COVID-19. This property will allow us to provide a safe environment for anyone who is recovering from or may have been exposed to COVID, and help prevent further spread into the community.

Thank you,

Kelly Stefferud, RD, CD, CLC
