## 2021 Enchanted Forest Corporate Sponsorships

Enchanted Forest is family friendly, non-scary, trick-or-treat event. This year it will be Saturday October 23rd from 10am-2pm on the North end of Riverside Park and neighboring trails. Kids, parents and volunteers are encouraged to dress up in their Halloween costume and meet friendly characters as they collect candy and other goodies along the way. Treat stations will also have games and activities for the kids to participate in.

Enchanted Forest will be participating in the Teal Pumpkin Project. This project, led by the Food Allergy Research & Education foundation, allows children with food allergies or children unable to have candy for various reasons, to be included in trick-or-treating festivities.

The trail will be under a mile long and is paved so that it is wheelchair assessable and easy for strollers to get down. Stations will be run by sponsor businesses, student groups from the area universities, and other civic/nonprofit groups.

Gateway Area Council, BSA
