Re: Street Privilege Permit Renewals

Below is the list of applicants that is recommended by the Legal Department for renewal of their Street Privilege Permits. The applications were circulated to the Inspection, Engineering, City Clerk, and Police Departments and were not found to have any objections to their encroachments. I am still trying to get a few from 2016 taken care of so those are listed out separately.

The Legal Department will be placing recommendations for non-renewals or revocations on a future agenda.

Thank you.
