A Division of La Crosse Police Department  
(608) 789-7295 | 400 La Crosse Street, La Crosse, WI 54601 | parking@cityoflacrosse.org

December 14, 2017

Members of the Board of Public Works:

The Police Parking Utility would like to submit a request to consider a rate increase the secure/underground / heated parking rate in the Market Square ramp.

The current rate charged for the secure/underground/heated parking is \$50.00/month for a 24/7 reserved spot.

By comparison, the City currently charges \$40 per month for an above ground, non-secure, open air parking ramp permit and \$100 per month for a 24/7 reserved spot.

In researching comparative secure parking the following information was obtained.

- Belle Square charges \$100 per month.
- River Place charges \$75 per month.
- Washburn on the Park charges \$65.00

The Police Parking Utility is requesting the board set a new rate for 2018 and consideration a graduated increase for 2019 and 2020 to bring the parking rate in line with the market.
