1. No community living arrangement may be established after March 28, 1978 within 2,500 feet, or any lesser distance established by an ordinance of the city, of any other such facility. Agents of a facility may apply for an exception to this requirement, and such exceptions may be granted at the discretion of the city. Two community living arrangements may be adjacent if the city authorizes that arrangement and if both facilities comprise essential components of a single program.

2. Community living arrangements shall be permitted in each city without restriction as to the number of facilities, so long as the total capacity of such community living arrangements does not exceed 25 or one percent of the city's population, whichever is greater. When the capacity of the community living arrangements in the city reaches that total, the city may prohibit additional community living arrangements from locating in the city. In any city of the 1st, 2nd, 3rd or 4th class, when the capacity of community living arrangements in an aldermanic district reaches 25 or one percent of the population, whichever is greater, of the district, the city may prohibit additional community living arrangements from being located within the district. Agents of a facility may apply for an exception to the requirements of this subdivision, and such exceptions may be granted at the discretion of the city.

No adult family home described in s. 50.01 (1) (b) may be established within 2,500 feet, or any lesser distance established by an ordinance of the city, of any other adult family home described in s. 50.01 (1) (b) or any community living arrangement. An agent of an adult family home described in s. 50.01 (1) (b) may apply for an exception to this requirement, and the exception may be granted at the discretion of the city.

b. An adult family home described in s. 50.01 (1) (b) that meets the criteria specified in subd. 2r. a. and that is licensed under s. 50.033 (1m) (b) is permitted in the city without restriction as to the number of adult family homes and may locate in any

residential zone, without being required to obtain special zoning permission except as provided in subd. 9.

3. In all cases where the community living arrangement has capacity for 8 or fewer persons being served by the program, meets the criteria listed in subds. 1. and 2., and is licensed, operated, or permitted under the authority of the department of health services or the department of children and families, that facility is entitled to locate in any residential zone, without being required to obtain special zoning permission except as provided in subd. 9.
4. In all cases where the community living arrangement has capacity for 9 to 15 persons being served by the program, meets the criteria listed in subds. 1. and 2., and is licensed, operated, or permitted under the authority of the department of health services or the department of children and families, that facility is entitled to locate in any residential area except areas zoned exclusively for single-family or 2-family residences except as provided in subd. 9., but is entitled to apply for special zoning permission to locate in those areas. The city may grant such special zoning permission at its discretion and shall make a procedure available to enable such facilities to request such permission.
5. In all cases where the community living arrangement has capacity for serving 16 or more persons, meets the criteria listed in subds. 1. and 2., and is licensed, operated, or permitted under the authority of the department of health services or the department of children and families, that facility is entitled to apply for special zoning permission to locate in areas zoned for residential use. The city may grant such special zoning permission at its discretion and shall make a procedure available to enable such facilities to request such permission.
6. The department of health services shall designate a single subunit within that department to maintain appropriate records indicating the location and number of persons served by each community living arrangement for adults, and such information shall be available to the public. The department of children and families shall designate a single subunit within that department to maintain appropriate records indicating the location and number of persons served by each community living arrangement for children, and such information shall be available to the public.
7. In this paragraph, "special zoning permission" includes but is not limited to the following: special exception, special permit, conditional use, zoning variance, conditional permit and words of similar intent.
8. The attorney general shall take all necessary action, upon the request of the department of health services or the department of children and families, to enforce compliance with this paragraph.
9. Not less than 11 months nor more than 13 months after the first licensure of an adult family home under s. 50.033 or of a community living arrangement and every year thereafter, the common council of a city in which a licensed adult family home or a community living arrangement is located may make a determination as to the effect of the adult family home or community living arrangement on the health, safety or welfare of the residents of the city. The determination shall be made according to the procedures provided under subd. 10. If the

common council determines that the existence in the city of a licensed adult family home or a community living arrangement poses a threat to the health, safety or welfare of the residents of the city, the common council may order the adult family home or community living arrangement to cease operation unless special zoning permission is obtained. The order is subject to judicial review under s. 68.13, except that a free copy of the transcript may not be provided to the adult family home or community living arrangement. The adult family home or community living arrangement must cease operation within 90 days after the date of the order, or the date of final judicial review of the order, or the date of the denial of special zoning permission, whichever is later.

- 9m.** The fact that an individual with acquired immunodeficiency syndrome or a positive HIV test, as defined in s. 252.01 (2m), resides in a community living arrangement with a capacity for 8 or fewer persons may not be used under subd. 9. to assert or prove that the existence of the community living arrangement in the city poses a threat to the health, safety or welfare of the residents of the city.
- 10.** A determination made under subd. 9. shall be made after a hearing before the common council. The city shall provide at least 30 days' notice to the licensed adult family home or the community living arrangement that such a hearing will be held. At the hearing, the licensed adult family home or the community living arrangement may be represented by counsel and may present evidence and call and examine witnesses and cross-examine other witnesses called. The common council may call witnesses and may issue subpoenas. All witnesses shall be sworn by the common council. The common council shall take notes of the testimony and shall mark and preserve all exhibits. The common council may, and upon request of the licensed adult family home or the community living arrangement shall, cause the proceedings to be taken by a stenographer or by a recording device, the expense thereof to be paid by the city. Within 20 days after the hearing, the common council shall mail or deliver to the licensed adult family home or the community living arrangement its written determination stating the reasons therefor. The determination shall be a final determination.
