

City of La Crosse Outdoor Café Restaurant Recovery Program

Permit Application & Instructions

The City of La Crosse has created the following Outdoor Cafe program to temporarily allow restaurants, taverns, and tasting rooms to expand their business footprint onto adjacent: public rights-of-way or privately-owned parking facilities or outdoor space if approved by the City of La Crosse. For eligible restaurants, taverns, and tasting rooms this may also include expanded alcohol license premises. All additional fees will be waived for this program.

All administrative approvals are strictly temporary and expire on **November 13, 2020**. This program may be extended beyond this date upon approval by the Common Council. This program is subject to all local, State and Federal Health Orders, laws and guidelines.

Application Review Process

The Planning and Development Department will be administering the application process for this program. Depending on the type of Outdoor Café that is being applied for, or if a Liquor License Expansion is also being requested, additional approvals may be needed by the Board of Public Works, the City Clerk’s Department, and/or the Common Council.

Completed Applications and the required attachments may be submitted to the Planning and Development Department via electronically to:

Jack Zabrowski
zabrowskij@cityoflacrosse.org

or

Tim Acklin, AICP
acklint@cityoflacrosse.org

Completed Applications and the required attachments may also be mailed or drop off to the Planning and Development Department at 400 La Crosse St, La Crosse, WI 54601. If City Hall is closed to the public applications may be dropped off in the metal drop box located on the north side of City Hall.

IT IS HIGHLY RECOMMENDED THAT APPLICATIONS ARE SUBMITTED ELECTRONICALLY. THIS WILL ENSURE A QUICKER PROCESS OF REVIEW.

If your application requires review by the Board of Public Works for a Street Privilege Permit, applications must be submitted to the Planning & Development Department no later than 5pm on Wednesday to ensure review and action on your application by the following Monday meeting of the Board of Public Works.

Existing Liquor License Expansion requests will be reviewed by the City Clerk’s Department. If review is required by the Board of Public Works Department, and the application is approved, applications will then be forwarded to the Clerk’s Department for review. Provisional approval may be granted until final action is taken by the Common Council at their next meeting.

Tim,

Thank you again for your assistance in our initial approval! Here is our follow up for updated approval regarding building an outdoor dining platform at The Crow.

Due to our focus on guest safety and experience, building a platform will only be an added asset to the downtown dining program and overall downtown La Crosse dining experience. Upon immediate approval, our team will have our proposed dining platform built and ready for patron use during this coming week.

Our proposed platform is 56' in length on Main Street, absorbing three parking spaces going West after the marked handicap parking space and 8' wide. The marked handicap parking space will of course remain open and accessible for those who need it. The platform will be built out of wood material decking with galvanized metal fence railing wrapping around it (please see attached picture). The platform will begin 3' from the traffic lane on Main Street and will take up 6' of street/parking space width and 2' of the curb, still allowing for 9' 7" of open sidewalk space. We will have 6 tables that seat up to 4 guests each on the platform. The height of our platform will vary with road slope in order to bring the seating to grade with the sidewalk. The platform will be handicap accessible. Please reference attached pictures for drawings of the platform.

At both the East and West ends of the platform, we will have a 5' long jersey barrier.

If you have any questions regarding our platform building plan proposal, please let me know. We are excited to get started and add another safe outdoor dining space to the downtown area. Thank you for your assistance in developing this program--we sincerely appreciate it.

I look forward to hearing back from you soon.

Thank you!
