

From the Offices of the Traffic Engineer
and the Chief of Police
City Hall

**CITY OF LA CROSSE
BOARD OF PUBLIC WORKS
Findings & Orders:**

June 26, 2014

ESTABLISHING

AMENDING

VACATING

TYPE OF ALTERATION: Vacation of 2-Hour Parking zone

GENERAL LOCATION: the north side of the 2000 block of Johnson Street, from the east line of State Road, to a point 70' easterly thereof

Report:

A request and application were received from the owner of 2001 Johnson Street to vacate time-limited parking, as specified above. Other than the property of subject, the area is residential. At its June 16, 2014 meeting, the Board of Public Works approved making this change. This is prima facie evidence for a change.

It is therefore my recommendation to amend the parking zone, as detailed above.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Vacation of 2-Hour Parking in the 2000 & 2100 blocks of Johnson St, as defined above.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.
