Revenues

General Fund Revenue Summary

Property Tax Revenue

The main source of funding for the annual operating budget is the property tax levy. The property tax levy has historically accounted for roughly 50% of the total revenues received for the annual operating budget. The property tax levy has three major components; assessed value, City operating and debt levy, and the mill rate. Assessed value is determined by the municipal assessor’s office and is based on the property’s market value. The City operating and debt levy is the amount the City needs in order to fund its operations and debt obligations. The mill rate is a tax rate used to calculate the amount of property tax based on the assessed value of a property (Mill Rate = City Levy/Total City Assessed Value).

Mayor's Office

Description

Per Wisconsin Statutes Section 62.09(8)(a), the mayor is the chief executive officer of the city and is responsible for supervising and directing the day-to-day operation of city government. As chief executive officer of the city, the mayor has a statutory duty to “take care that city ordinances and state laws are observed and enforced and that all city officers and employees discharge their duties.”

2023 Accomplishments/Highlights

1. Improved transparency and coordination of communication in all city functions.
2. Engaged state agencies to expedite plat approval for River Point District development.
3. Collaborated with La Crosse County government to reach agreement on long term strategy for significantly reducing chronic homelessness.
4. Continued work with communication providers to enable more digital connection through additional fiber infrastructure.
5. Successfully lobbied state lawmakers to approve significant new funding mechanism for all municipalities.
6. Led identification and implementation of operational changes to decrease costs and increase revenue for FY 2024.
7. Accepted national co-chair position of Mississippi River Cities & Towns Initiative, representing La Crosse on a national stage to support a national drought policy, a Mississippi River compact, a plastics waste reduction strategy, and a natural infrastructure development plan to mitigate impacts of floodwaters along the entire river corridor.
8. Directed DEI efforts to enhance experiences in La Crosse including Juneteenth and Indigenous Peoples Day celebrations.

2024 Goals

1. Support resiliency and sustainability priorities as identified in Climate Action Plan.
2. Coordinate improvements to bicycle and pedestrian infrastructure.
3. Advance new development opportunities for housing.
4. Launch city-county joint collaborative to comprehensively address homelessness.
5. Continue identification and action on improving efficiencies in all city government operations.
6. Improve safety and workplace satisfaction among city employees.
7. Update zoning codes to adhere to comprehensive plan.

Legal Department

Description / Mission

In general terms, the Legal Department's role is to serve as legal counsel for the City of La Crosse. The Legal Department advises and represents the City of La Crosse, its Mayor, Common Council, boards, commissions and departments in legal matters pertaining to their office duties and operations. As counsel for the City, the Legal Department cannot provide legal advice to members of the general public.

The Legal Department is responsible for matters that arise under civil law. The Legal Department prepares ordinances, resolutions, contracts, legal opinions and other documents as requested by City officers; assists officers and staff in compliance with the Wisconsin Public Records Law and Open Meetings Law; advises on the legal aspects of programs and policies established by the City; implements annual compliance reviews of development agreements and insurance programs; achieves compliance with municipal requirements through municipal court prosecutions and proactive public nuisance abatement in the community by guiding the Neighborhood Services Team; serves as general counsel for the Redevelopment Authority; initiates and defends civil litigation; and monitors matters assigned to contracted legal counsel.

The mission of the Legal Department is to serve the City of La Crosse by providing reliable legal services to City leaders and employees so they can lawfully perform their work and govern with the highest level of integrity.

2023 Accomplishments / Highlights

1. Prevailed in various civil litigation matters, obtaining favorable decisions for the City, including settlement, when appropriate.
2. Prosecuted municipal citations while exercising prosecutorial discretion to focus on OWI offenses.
3. Implemented annual compliance reviews of development agreements and reported to appropriate governing bodies.
4. Achieved annual review of the City's insurance products and programs, including making necessary changes.
5. Continued nuisance abatement within the community and guided the Neighborhood Services Team.
6. Provided oversight and organization of various environmental issues, including, without limitation, responses to WDNR, products liability litigation, claims management, and communication with federal, state and local governments.
7. Advised and guided local officials on various election issues and lawsuits.

Legal Department

2024 Goals

1. Build and retain a quality team of legal professionals and support personnel.
2. Focus on specific client needs and provide legal advice to the client.
3. Protect and defend the legal interests of the City in an efficient and effective manner.
4. Continue implementation of action plan to update the City’s loan documentation manual.
5. Develop and implement process for maintaining accurate statement of values list for City’s fixed assets.
6. Organize and provide oversight to various condominium associations of the City.
7. Review and recommend changes to conditional use permit ordinances.
8. Conduct annual compliance review of development agreements and report to appropriate governing bodies.
9. Prosecute citations in court while exercising prosecutorial discretion to focus on OWI citations.
10. Leverage and update technology to improve efficiency and conserve resources.

City Clerk

Description/Services

The City Clerk is a statutory officer of the municipality and is responsible for the care and custody of the corporate seal, the Municipal Code of Ordinances and certain records of the City. The City Clerk gives notice of all Common Council meetings, prepares and maintains the minutes of Council proceedings, preserves the permanent records of the Council and provides administrative support for the Common Council as well as other governmental meetings. The City Clerk performs all functions necessary to issue alcohol licenses and other licenses and permits and is the administrator of local election processes.

The mission of the City Clerk's Office is to provide quality service to the citizens of the City of La Crosse, to the Common Council, to City staff and to visitors of the City in an efficient, courteous and professional manner while performing the functions and duties of the Office in accordance with federal, state, county and municipal laws.

2023 Accomplishments/Highlights

1. Implemented Election Administration Software to streamline election officials, election equipment and polling places.
2. Continued improvements to EnerGov to streamline license application and processing.
3. Re-write of Council Rules and creation of policies for meetings, staff reports and meeting recordings.
4. Implemented Votecast, iLegislate and online meeting registration to promote transparency and encourage active community participation and involvement.
5. Continue to cross train staff to ensure quality customer service.

2024 Goals

1. Finalize committee handbook and resources/training for committee chairpersons.
2. Continued improvements with records management/retention; categorizing, determining retention period/destruction date and organization.
3. Appoint and train 200+ election officials for the 2024 elections.
4. Hold voter education events, designate additional in-person absentee voting sites, and extended absentee voting hours for 2024 elections.
5. Continue training/cross training of new hires; quarterly staff meetings.

Common Council

Description/Services

The Common Council is the legislative policy-making body of the City. Council members approve contracts, adopt regulatory ordinances and resolutions, approve the annual budget, determine the tax rate, provide direction to the Mayor, City Department Heads and other Council appointees, and provide a forum for active community participation in setting and achieving City policies, goals and objectives.

Mission Statement

The La Crosse Common Council values the importance creating a common understanding and support of the characteristics and values we wish to see in the future of our city.

Vision

La Crosse is a city of choice – a community for a lifetime – that offers the highest possible quality of life.

Mission

As elected officials, we establish policies to provide services and infrastructure, and to promote sustainable economic development, diverse cultural, recreational and educational opportunities, and public health and safety.

Core Values

Leadership: Visionary focus on the long-term, comprehensive needs of the community.

Diversity: Active welcoming of all residents, visitors and employers.

Communication: Clear, open, respectful dialog with each other, employees, citizens and other stakeholders.

Integrity: Honest, responsible, transparent actions in the best interest of the community.

Stewardship: Judicious investment of public resources and protection of natural and cultural resources.

Municipal Court

Description/Services

The Municipal Court is headed by the Municipal Judge and staffed by the Municipal Court Clerk and Judicial Assistants who ensure that traffic and ordinance citations issued by the City of La Crosse Police and Inspection Departments are processed for adult and juvenile court. Court personnel monitor payments on citations, process community service, respond to inquiries from defendants (phone, email, mail,) prepare cases for trial, issue summonses and warrants, suspend driving privileges of delinquent payers and refer hard-to-collect debt to the DOR State Debt Collection Initiative (SDC).

2023 Accomplishments/Highlights

1. Although the lockdown of City Hall has prohibited us from opening the court office to the public, we have operated the office doing everything we always do, except meeting people face-to-face in the office since City Hall was first locked down on March 17, 2020.
2. Overcame and adapted to staffing and procedural changes due to the pandemic. The public saw very few changes in the services we provide, except for face-to-face meetings in the office.
3. Continued collection efforts consistent with the lingering financial turmoil caused by the pandemic lock down. As has always been our practice, payers were given extensions to pay, or very modest payment plans that they felt they could handle, or allowed to do community service. Without advertising, we stopped doing warrants altogether, and drastically reduced the number of driver's license suspensions. Instead, the "hard-to-collects," which consist almost entirely of out of county residents, or individuals ignoring our attempts to work with them, were generally referred to SDC.

2024 Goals

1. We intend to continue to be diligent and as creative as possible to collect fines that have gone unpaid from 2020 to 2023.
2. We will continue our efforts to collect as many fines as possible, including the "hard-to-collects" before turning them over to the SDC.
3. We intend to utilize the docket judgment law to create liens on real estate owned by individuals with unpaid fines.
4. We will continue to work with property owners to encourage them to make necessary repairs and improvements after receiving inspection tickets.
5. We will continue to collaborate efforts with the City, Police Department and an assortment of charities and associations to provide assistance and support to our community's homeless population.
6. We will remain in partnership with the community's juvenile services (SRO program, System of Care, School District staff, and County social workers) to support our youth.
7. We will remain empathetic to any financial hardships experienced by our defendants.
8. We reduced our staff from 3.5 clerk positions to 2.5, starting in 2021 due to the unprecedented reduction in the number of citations that have been written since the start of the pandemic in 2020. We anticipated that citations would return to pre-pandemic levels so that position would be restored once citations were back to previous levels. That has not yet occurred.

Finance Department Finance Division

Description/Services

The purpose of the Finance Department is to provide accounting, budget, capital improvement financing, investments, debt management, purchasing, payroll, mail and graphic services to City staff and to the citizens of La Crosse. Property tax bills comprise approximately half of the City’s operating and TIF capital revenues. The Treasury division of the city prepares, mails and collects those bills to ensure adequate cash flow to fund city operations. The department manages the city’s annual audit which influences its debt rating and ability to borrow to fund capital improvements.

The department is comprised of the following sections/divisions:

- Accounting/Finance/Purchasing/Payroll
- Treasury/Mail & Copy Room

2023 Accomplishments/Highlights

1. Continued updating the operating and capital budget book formats to provide more relevant and digestible information.
2. Fully implemented the new score and ranking system for the capital project requests, including a citywide scoring team.
3. Facilitated the issuances of 2 debt instruments in 2023: a General Obligation Bond and a General Obligation Promissory Note.
4. Set up a central online payment portal to pay property tax bills and general billing invoices.
5. Began implementation of a new payroll software to improve functionality and efficiency.

2024 Goals

1. Update the monthly financial statements presented to the Council and public to provide timely meaningful information to the Council and citizens of La Crosse.
2. Finalize implementation and rollout of a new payroll software to improve functionality and efficiency.
3. Finalize Self-Service timesheet utilization organizational wide by using the City’s employee portal on the web site and/or computer kiosks within various City buildings.
4. Receive no material findings on the City’s annual financial statement audit and single audit.
5. Expand central online payment portal to pay additional billing invoices.
6. Implementation of updated procurement, travel, and P-Card policies.

Finance Department Treasury Division

Description/Services

The Treasurer’s Office is the intake point for the majority of the city’s cash. Property taxes and water utility make up the bulk of the City’s payments; in addition to many other payment types. This office has four primary sources of payments, which include a walk-up window, external mail, interoffice mail, and a drop box. The treasurer’s office also accepts payments via phone and online through a third party. In addition, this division oversees the mail/machine room functions.

2023 Accomplishments/Highlights

1. Successfully implemented Resident Access in production for general invoices and tax payments.
2. Switched to Tyler Payments as our new credit card vendor.
3. Regularly met deadlines with minimal staff throughout last half of the year.

2024 Goals

1. Increase the number of payments processed through **RemitPlus**. (see below)
2. Decrease the number of delinquent tax parcels at the end of tax season. (see below)
3. Successfully make changes in processes/procedures and software to accommodate the La Crosse County Treasurer’s software upgrade.

Fire Department

Description/Services

The La Crosse Fire Department's **Mission** is to promote safety, reduce risks, and respond to calls for fire suppression, emergency medical services, and all-hazards rescue. We earn the community's trust through preparedness, professionalism, and dedication to service.

Our organizational **Values** are:

- **Respect**- reflects our belief that all persons have equal value and deserve our due attention.
- **Integrity**- leads us to honor our commitments and to do what is right.
- **Service**- drives us to put the needs of the community first.
- **Excellence**- encompasses our professionalism and dedication to continuous improvement of knowledge, skills, and abilities.

Our Department operates through a Chain of Command and is generally organized in **three primary Divisions**: Division of Community Risk Management, Division of Training and Professional Standards, and Division of Fire and Rescue Operations.

2024 Goals

1. The Fire Department's **Strategic Plan** (2019-2023) includes six broad initiatives with numerous integrated goals that support continued growth of the department. Each of these strategic initiatives is described in terms of (1) overall objective, (2) high-level tasks, and (3) timeline.
 - The initiatives are:
 - Community Risk Management and Outreach
 - EMS/ALS Response
 - Infrastructure and Technology
 - Leadership and Organizational Development
 - Employee Fitness and Wellness
 - All-Hazards Response Capability
 - Our **Strategic Plan** can be found on our website at: https://www.cityoflacrosse.org/your-government/departments/fire-department/department-performance/-folder-1246#docan2023_3571_1527

Performance Measures

The department continues to assess numerous performance measures including total hours of completed training, total smoke alarms installed in homes, total building fire and life safety inspections completed, and significant assessment of incident response time data. While many fire departments assess their "average" response times, our department assesses the 90th percent point of all incident response times and our target goal of NFPA national standards. Our average response times exceed national standards, and our 90% target goals hold us accountable to our continuous quality improvement goals.

These performance measures are identified in our "**Standards of Cover**" document that can be found on our website at: : https://www.cityoflacrosse.org/your-government/departments/fire-department/department-performance/-folder-1125#docan2023_3571_1527

Fire Department

While many factors affect incident response times (distance, weather, multiple concurrent incidents), these measures provide us critical data as we assess the proper locations for future fire stations, apparatus locations, technology support, and other opportunities for regional partnership to save time in our response to emergency incidents.

Our performance measures and ongoing progress are reported monthly to our Police and Fire Commission and annually to the City’s Common Council in our Annual Community Report. Members of the public can find these reports on our department website and on the City’s legislative records management system.

Performance measure examples include:

Police Department

Description/Services

The Police Department's mission is to be leaders in providing a safe and vibrant community. The Department's authorized staffing is comprised of 100 sworn officers and 27 civilian staff. Organizationally, the Department has four main bureaus: Administrative Services, Field Services, Investigative Services, and Professional Standards/Community Services. Captains command each bureau. The Administrative Services Bureau commands training for the sworn and civilian staff, as well as policy updates and development. The Professional Standards/Community Services bureau commands the School Resource Officers, the D.A.R.E. and G.R.E.A.T. programs, Community Resource Unit, media relations, social media relations, and professional integrity/accountability and accreditation. The Investigative Services Bureau includes adult and juvenile crime investigators, the Neighborhood Resource Officer Unit, the Domestic Abuse Reduction Team (DART), and the drug investigation/violent crime unit. Finally, the Field Services Bureau consists of two patrol shift teams working 12-hour shifts that deliver a full spectrum of field police services to the community. Currently, the La Crosse Police Department operates on six patrol beat system. When fully staffed, average staffing levels include 10 patrol officers and 2 supervisors on each shift that are complemented by investigative and administrative personnel able to immediately respond to any incident.

2023 Accomplishments/Highlights

1. Responded on average to 153 calls for service per day.
2. Trained all officers in Officer Involved Critical Incidents.
3. Pro-actively collaborated with other departments and agencies to address unsheltered population issues.
4. 2023-2028 Strategic Plan completed.
5. Aggressively recruited a representative workforce.
6. Launched the agency's new branding initiative.
7. Multiple federal prosecutions for drug and weapons violations.
8. Completed basement and 1st floor remodel.
9. Received Federal Grant funds to expand the Community Resource Unit.
10. Addition of canine unit as therapy dog.

2024 Goals

1. Deploy a fully staffed sworn and civilian workforce to meet the needs/calls of the community.
2. Roll out new recruitment videos.
3. Successful complete 2nd floor remodel within budget.
4. Fully Implement new branding program.
5. Innovate our recruit efforts to increase number of applicant due to high turn-over and strive to maintain a representative workforce.
6. Enhance police-community relations.
7. Work with members of the Criminal Justice System address gun violence within La Crosse.
8. Continue Risk Mitigation philosophies for managing incidents and handling calls for service.
9. Implement ABLE training platform.
10. Focus on emerging crime patterns and community needs, then address these areas through community engagement and partnerships.

Parks, Recreation, & Forestry Administration Division

Description/Services

The Administration Division oversees the Parks, Recreation, Forestry & Facilities Department. This division is responsible for determining department priorities, operational activities, and providing leadership to the other department divisions and their staff. The Administration Division strives to establish a strong public relationship with the City of La Crosse residents. This division also works closely with the Board of Park Commissioners, Arts Board, and the La Crosse City Council. Many administrative services provided by this division include the following: lease agreements, grant procurement, capital project planning, special project management, budgeting, record keeping, payroll, daily deposits, and invoice processing. In addition, staff are responsible for program registrations, facility and slip reservations, pool pass management, special permits, insurance documentation, and marketing.

2023 Accomplishments/Highlights

1. Successfully absorbed the La Crosse Center within our department's scope and cohesively work together.
2. Implemented a new Annual Community Event Agreement procedure where events can fill out a form online and submit to the department at any time and sign up for 1, 2, or 3 years.
3. The department is in the process of creating a survey to be released to ensure department projects and programs align with user and stakeholder expectations.

2024 Goals

1. Develop a long-term location solution for senior programs to guarantee a program space for years to come.
2. Generate a lease agreement checklist to ensure all aspects that needed to be addressed are included in future lease agreements.
3. Create a Green Space Policy and a Memorials in Parks Policy.
4. Update shelter reservation receipts and add more information to better help the customer.
5. Create and launch an after-shelter reservation survey to ensure satisfaction with the use of the shelter.
6. Procure grants for a future senior program site.
7. Create a sponsorship package for all programs to be sent out once per year.

La Crosse Public Library

Description/Services

The La Crosse Public Library operates one main and two branch facilities within the City, providing access to nearly 250,000 items while also offering public internet access at all three locations and via our pop-up library van. Alone and in partnership with the school district, universities, local businesses, and other organizations, the Library provides a wide variety of programs and services for all ages. Public meeting rooms, as well as copying and printing services are well utilized. Unique to our community, the Library supports an Archives & Local History Department that offers a connection to our region's past, assisting in both personal research and genealogy, as well as an extensive collection that tells the story of our city. Annually, the Library has hundreds of thousands of visits and provides a public space that welcomes all. We embrace the objective that *libraries are for everyone*. Dedicated to promoting literacy and lifelong learning, we are passionate about connecting people to resources that enrich lives in our community.

2023 Accomplishments/Highlights

1. Expanded Hours & Services:
 - a. The La Crosse Public Library expanded both weekday and weekend hours for our very popular Archives & Local History Department.
 - b. In April of 2023, our Tool Lending Library went live, offering a plethora of necessary home maintenance materials, tools, and business resources.
 - c. In order to better understand and respond to community needs, the Library underwent a Strategic Planning process this year. Led by Library Strategies (a consulting group out of St. Paul), we collected more than 500 survey responses, invited almost 90 community members to participate in focus groups, and completed one on one interviews with key stakeholders in our community. Results from this work will guide planning goals focused on the next five years.
 - d. Our Community Resource Specialist (hired in 2022) increased the Library's ability to assist our community's most vulnerable individuals, connecting them with resources for housing, food/meals, financial assistance, healthcare transportation, SSA disability application, employment, legal aid, Veteran's Assistance, bus tokens, mental health, and domestic abuse/crime victim services.
2. Facility Enhancements:
 - a. Funded through grants and donations, our Creation Space renovation on the second floor has proven incredibly popular with patrons of all ages from all walks of life. With 3D printing, a wide variety of art supplies, and space for classes, patrons can also experiment with vinyl, paper, or fabric crafts of all kinds.
 - b. Acoustical enhancements were made to the Library's primary programming space, Main Hall, greatly improving sound quality for events.
 - c. Professional assessments of all three Library locations identified facility maintenance priorities for ADA compliance as well as future improvements.

La Crosse Public Library

- d. With ISG leading us through a community focused study, a conceptual vision for more flexible, multi-use library and community use spaces took shape.
3. New Programs & Partnerships:
 - a. Continuing to lead in developing regional partnerships, our Regional Read focuses on Mental Health in 2023. The book is *What Happened to You?: Conversations on Trauma, Resilience, and Healing* by Oprah Winfrey and Bruce D. Perry. Partners include Houston County (La Crescent Public Library) and Winona County (Winona Public Library), La Crosse County Libraries, the local Mental Health Consortium, and the YMCA. Programming will occur in all participating communities.
 - b. Spotlight Collections featuring materials by Hmong and (forthcoming) Indigenous authors have been developed by Library staff in collaboration with partners from those respective community members. Spotlight Collections highlight materials that often can become invisible in the Library's larger collection, building awareness and emphasizing inclusion of diverse communities within our region. Our Indigenous collection will debut by the end of the year and we have already received a sizeable donation of related materials.
 - c. In partnership with the State of Wisconsin, the Library began circulating State Park day passes.
 - d. After-school youth programming increased dramatically over the previous year, with a regular slate of activities for older children.
 - e. Our non-profit/small business incubator project (started this year) owes much of its success to collaborations with organizations like La Crosse Neighborhoods Inc., the La Crosse Foundation, and others. While building awareness around Library services like instruction, printing and copying, and our grants database, and showcasing our Creation Space, the Library can help small businesses and emerging non-profits develop video/audio advertising, create promotional materials, or make a 3D proof of concept. We have also begun to offer presentation kits containing speakers and a webcam so that non-profits/small businesses can give presentations or run hybrid meetings on a shoestring budget.
 - f. In collaboration with La Crosse County Library, our Youth Services team kicked off summer with a carnival at Valley View Mall featuring bounce houses, face painting, and Summer Library Program sign up, serving more than 500 children and families.
 - g. In partnership with the Ho-Chunk Nation, our Archives department will host a series of Indigenous films as well as a Ho-Chunk educator and community healer who will speak on the history of Native American boarding schools. Archives staff will be participating in the La Crosse Indigenous Peoples' Day Festival and are creating a series of Dark La Crosse Stories focused on the colonization of the Ho-Chunk land.
 - h. The Archives & Local History Department concluded a 4-year partnership with PBS Wisconsin, in which they contributed to *Wisconsin Pride*, a new documentary that explores the LGBTQ+ history of the state. One Archives staff

La Crosse Public Library

member was invited to be on the film's advisory board after the producer learned about the walking tour this staff member created exploring La Crosse's LGBTQ+ history throughout our downtown. Two segments in the documentary feature La Crosse history and were based on research and materials made accessible by Archives staff. Staff also helped connect filmmakers with community members for interviews and provided historic photographs and newspaper articles for use as visuals in the film.

4. Growing Return on Investment for our La Crosse Community:
 - a. In 2022, the Library circulated 452,460 physical items at an estimated savings of \$9,289,003 to patrons were they to purchase these materials instead of borrowing them. 2023 circulation is on track to reach 491,000 items, saving our community around \$9.8 million.
 - b. Online library users saved more than \$874,650 by using Libby and other digital library resources like Kanopy and Hoopla over paid products like Audible, Hulu, or Netflix in 2022.
 - c. The economic benefit of library programming to La Crosse community members of all ages is estimated at more than \$503,020 (avg. cost/program participant is estimated at \$20).

"The library has SO MUCH to offer. I stopped in the other day and you can rent books, media, games, use the computers, the craft area, and there's even a puzzle trade. What isn't there at the library?!"

-Katlyn

"As a member of the LGBTQ+ community I would like to praise the La Crosse main branch. Your collection is incredibly inclusive and has proven to be a wonderful resource. I love that LPL is so accepting and willing to adapt with society."

-Dominic

"We're 3 for 3 with our kiddos being OBSESSED with your librarians."

-Laura

"I think the La Crosse Public Library system is a huge asset to our community youth, children & babies. I am always impressed with the free events and activities that we attend monthly, as well as the story times. I feel safe going to our library children's areas, and my youngest understood the word "library" when talking and knew where to go to play when we walked into the library as young as 15 months old! I'm constantly impressed by the programming that I continue to learn about for all age groups!"

-Bekky

La Crosse Public Library

2024 Goals

1. One key goal for 2024 will be a continued expansion of our outreach services. A mobile library would help us reach our goals more quickly, but, in the meantime, staff continue to work to reach our community where they are in order to more effectively connect people with services they need.
2. The Library will continue to partner with social service agencies and organizations to support our whole community.
3. Through implementation of our updated Strategic Plan, we will work toward achieving identified service priorities to more effectively meet the needs of the people of La Crosse.

Planning & Development Assessment Division

Description/Services

Annually, the City of La Crosse Assessment office is required to perform all property assessment duties that are constitutionally, statutorily, and administratively directed by the Department of Revenue. This includes completing state mandated reports and workload in a timely manner throughout the year. The role of the assessment division is to discover, list and value all taxable property within the City of La Crosse as of the statutory date of January 1. The assessment division tries to ensure accurate, equitable and uniform values to ensure that the burden of taxes is distributed in a fair and equitable manner and to attain 10% of the market value annually. The assessment division is dedicated to be a reliable source for updated and accurate property data as well as providing prompt service in a timely manner to our community, council and local government. The assessor is committed to the principle that everyone is heard and treated with courtesy and respect and able to leave the assessor's office with the feeling that they were served in a competent and professional manner.

2023 Accomplishments/Highlights

1. Tracking of current sales activity within that market to make sure the values initially set for 2022 will still be relevant for a 2023 sale ratio analysis.
2. Completed the valuation of all building permits, legal description work, and sales analysis.
3. Updated the Assessment Division portion of the City of La Crosse Website.
4. Attended Wisconsin Association of Assessing Officers conference to education the assessment team on 2023 Act 12 on how to move forward for the 2024 assessment year.

2024 Goals

1. Under 2023 Act 12, adjusting the TID's base value by removing the exempt personal property and send report to the DOR allowing for the correct increment calculation.
2. Under 2023 Act 12, locally and state personal property is exempt from taxation. Move all personal property that is not exempt from taxation to the real estate.
3. Tracking of current sales activity within that market to make sure the values initially set for 2023 will still be relevant for a 2024 sale ratio study.
4. Update parcels to produce quality data for our sales analysis at the time of sale as well as reflecting parcels characteristics as January 1 to establish fair and equitable assessments.
5. Create a schedule to physically review residential properties.
6. Consolidate sale neighborhoods to ensure a larger sample size for ratio analysis.
7. Continue to physically review commercial properties and update the records.
8. Send our income and expense statements to property owners.
9. Complete the valuation of all new construction, sales analysis and requested reviews.
10. Ensure the real estate and personal property assessment rolls balances with the county.
11. Continue to mentor, cross train, and encourage staff to enroll in educational coursework.
12. Continue to work on post conversion and the rollover to volume 2 costing clean-up.
13. Develop a system on how to incorporate the CDU rating with the existing weighted residual effective age.

Planning & Development - Assessment Division

14. Complete all legal description work and DOR required reporting.
15. Provide information and support for other city offices as requested and required.
16. Update City of La Crosse assessor portion of the website on continuous basis to education the community including sales data.

The mission of the La Crosse Center is to generate an economic impact by hosting conventions, trade-shows, corporate business and association meetings, and entertainment opportunities that provide a wealth of people into the community for overnight stays, restaurant visits, and retail sales. The venue is to be fiscally responsible by providing a break-even to profitable annual report, while also supporting charitable and socially conscious events. The venue is to: create jobs, provide outstanding service, promote a safe and affordable high-quality experience, and be accountable to the City of La Crosse Elected Officials and to the La Crosse Center Board of Directors.

2023 Accomplishments/Highlights

1. Rebuilding the La Crosse Center Team

- We added a new Director to the LCC team with Jason Odegaard. We added two new Deputy Directors to the LCC team with Jared Flick and Daniel Trussoni. We added a new Business Manager to the LCC team with Alix Talbot. We added a new Sales & Event Coordinator to the LCC team with Kourtnei Alcock. We added a new Marketing Coordinator to the LCC team with Brianna Beining. We added a new Box Office Supervisor to the LCC team with Nikki Kimpton. We added a new Assistant Food & Beverage Supervisor with Ben Tremain.
- Food & Beverage and Operations Departments are both hiring new Part Time employees to fill their teams.

2. Sales and Leads

- Business Plan through Columbia Hospitality. The plan was received by the LCC and will be implemented in 2024.
- Triple Seat is now fully functional.

3. Marketing

- LCC has now created a formal marketing plan for both external and internal events.
- More internal digital signage has been implemented.

2024 Goals

1. Attract more diverse set of ticketed events.
2. Implementing the business plan from Columbia Hospitality.
3. Internal Sponsorship Opportunities.
4. Attraction of more multi day conventions and trade shows.
5. Continue to chip away at LCC deferred maintenance.

Engineering Department

Description/Services

The Engineering & Public Works Department of the City of La Crosse is responsible for the preparation of plans, specifications, estimates and approval for roadway and utility projects. This includes streets, sidewalks, traffic signals, streetlighting, streetscaping, water mains and wells, storm and sanitary sewer systems, wastewater treatment plant improvements, park improvements, fiber optic and communications improvements, and miscellaneous public works projects. The Department provides supervision of construction to completion, with field inspection, project management, and administration of professional agreements. The Department monitors compliance with Federal regulations for federally-funded projects in the City, and coordinates local highway projects with WisDOT and La Crosse County. The Department also provides surveying, drafting, design, inspection, and administration services for other City departments.

It is also the Department's further responsibility to maintain records of construction and surveys. These records include plats, maps buildings, profiles, benchmarks, and the locations, sizes, and elevations of various underground utilities, such as sanitary and storm sewers, and water mains. To serve the public regarding disbursement of all public records within the Engineering Department's jurisdiction is another of the department's important functions.

The Department is responsible for all aspects of permanent and temporary traffic control throughout the City and represents the City's concerns for traffic functions in the surrounding area. Traffic Engineer duties include responsibility for conducting traffic studies, preparing geometric design for highway safety projects, plans and specifications for traffic control installations, review and supervision of temporary traffic control on all public projects, and providing public service and education through the media and handle the requests and/or complaints on traffic matters.

Mission

Continually enhance the quality of life in the City of La Crosse by striving to improve level of engineering services to other City departments that help create good jobs, tax growth, and an environment that includes all people. While striving to improve, the Engineering Department will be fiscally responsible. The Engineering Department will strive for excellence, collaborate with neighbors, recognize and reward employees, and promote the Arts and cultural diversity.

Streets/Recycling Department

Streets Division

Description/Services

The City of La Crosse Street Department is responsible for keeping the 226 miles of roadways, within the city limits, free of snow and debris and in good working order. We manage these tasks by doing required maintenance such as plowing and sweeping. More in depth maintenance entails other activities such as complete road and curb reconstruction, assembly, installation and maintenance of traffic signals, streetlights, and signage. We are also responsible for maintenance on most City vehicles and mechanical equipment and assisting in management of the City fuel system.

2023 Accomplishments/Highlights

1. Increased use of the Zipper Milling equipment. Completed Losey Boulevard Center line repairs.
2. On task with scheduled road construction projects for Street Department operating budget.
3. Increased Sign Shop efficiency with new printing machine. Replaced 920 signs throughout the city and made over 1,400 new signs. Responded to over 100 accidents involving city street polls.
4. Maintenance shop has implemented new DOT standards to our fleet maintenance program, making our equipment safer and more reliable while working short staffed.
5. Implemented the City’s new crack seal and mastic program for major highways.

2024 Goals

1. Continue scheduled road construction projects.
2. Reduce number of streets rated a 3 or less on the Pavement Surface Evaluation and Rating system (PASAR).
3. Mill (Zipper) more major highways for temporary repairs.
4. Chip Seal 65,000 square yards of streets.
5. Crack seal as many streets as possible.
6. Mastic seal major highways.
7. Reduce salt use in the winter and use more brine.

Streets/Recycling Department

Refuse & Recycling Division

Description/Services

The City of La Crosse Refuse & Recycling Department is responsible for managing code enforcement and organization of various collections throughout the year related to brush, leaf, and large items. We handle contracts related to residential and City facilities refuse and recycling collection and our yard waste and brush site operations. Daily activities involve assisting residents with issues related to compliance, proper disposal of various items, and maintenance of city-service carts.

2023 Accomplishments/Highlights

1. Solid Waste Ordinance is in line with our current practices.
2. Increased compliance of Brush and Yard Waste site policies.
3. Minimizing illegal dumping of unacceptable materials at the MSC facility.
4. Increased follow-thru of refuse and recycling compliance inspections and education.
5. Communicating with property owners, rental management companies, and neighborhood groups about improving compliance on refuse & recycling guidelines.

2024 Goals

1. Streamline and increase enforcement of ordinances and recycling compliance inspections.
2. Collaborate with area colleges on Dumpster Diversion event to divert reusable items and hazardous materials from landfill.
3. Increase communication with Apartment Association on providing recycling and education for tenants and with local realtors to educate home buyers on services.
4. Participate in more local events and educational programs.

Non-Departmental

Description/Services

La Crosse Regional Airport

Description of Purpose:

The La Crosse Regional Airport is a certified commercial air carrier airport. It serves the greater Coulee Region with air service to Chicago with service on American Airlines. Annually, the average number of passengers utilizing the airport is 75,000. In addition to this air service, the airport has more than 70 private aircraft based on the airport that serve the business and recreational needs of the community. The department seeks to excel in providing a safe, secure, financially self-sufficient, and customer service focused airport for its users and the community at large.

2024 Goals

1. Strategically leverage local dollars against outside funding sources to carry forward capital projects.
2. Seek efficiencies in operations to close the gap between operating revenue and operating expenses.
3. Develop and expand non-aeronautical revenue sources.

Parking Enterprise

Description/Services:

The Parking Utility is managed by a Parking Coordinator who works directly with the Assistant Police Chief. The Parking Utility has two responsibilities, the enforcement of all parking regulations within the City and the operation of all City-owned parking facilities. The enforcement division is responsible for the enforcement of all parking rules and regulations on approximately 225 miles of city streets. This work is done through a staff of Civil Service Employees (CSE’s) who are tasked with the enforcement of parking violations. Office support staff process data entry and revenue collections. The grounds division of the Parking Utility is responsible for the operation of all the municipally-owned ramps and surface lots. These include the Market Square Ramp with a total of 632 spaces, the La Crosse Center Ramp with a total of 893 spaces, the Main Street ramp with a total of 395 spaces, the Riverside Ramp with a total of 903 spaces, and the Pine Street ramp with a total of 606 spaces. When you add in the surface lots, the Parking Utility manages almost 4,000 parking spaces. In addition, the Parking Utility manages downtown on-street hourly parking to ensure customer turnover for downtown businesses.

2023 Accomplishments/Highlights

1. Change all ramp parking rates to \$1/hr for every hour M-F 6am-6pm.
2. Executed new agreement with Weber Group to have Riverside Ramp controlled by the City.
3. Increase in contactless transactions/users via ParkMobile App.
4. Completed needed infrastructure for the install of security cameras in the future.
5. Epoxy south stairwell at Market Square.

2024 Goals

1. Install additional ramp security cameras to increase safety.
2. Improve and promote storage lockers for bicycles.
3. Install additional areas for EV Charging stations.
4. Increase permit sales in downtown parking ramps.
5. Work with DMI to implement the City’s first parking benefit district.
6. Restripe all parking stalls in the downtown parking ramps.

Sanitary Sewer Utility

Description/Services

The Sanitary Sewer Utility operates and maintains the Isle la Plume wastewater treatment plant, 26 sanitary sewer lift (pumping) stations and about 205 miles of sanitary sewers that make-up the wastewater collection and conveyance system. Flows to the plant averaged about 10 million gallons per day (MGD). The Utility flushes and cleans about one-third of the entire sewer system every year. The same staff repairs, rebuilds and rehabilitates manholes, vaults, valves, and other sanitary sewer structures as needed. (Contracted contributing cities operate and maintain their own collection systems and are only billed a wholesale rate for sewage treatment.)

The Utility operates as a public enterprise and receives no direct tax money from the City. Revenue sources include sales of sewage treatment to residential, commercial, industrial and public authority customers billed quarterly and wholesale treatment of Sewage from Onalaska, Campbell, Shelby, and La Crescent. Rates were last raised one January 1, 2023.

Modern wastewater treatment is a complex process subject to a wide variety of state and federal regulations. Quality standards for effluent and biosolids leaving wastewater treatment plants continue to get more stringent. Although normal operation of the wastewater system is highly automated, it is essential to have skilled employees with specific knowledge related to wastewater processes. Challenges related to chemistry, hydraulics, microbiology, electronics, mechanics, control systems, computer programming, machining, pumps, protective coatings, agriculture, and specialized equipment repair all come into play at the wastewater plant and/or collection system. The Utility schedules on-call personnel who are available 24 hours per day, year-round, to respond to emergencies at the plant or lift stations or related to the sewer system.

2023 Accomplishments/Highlights

1. Provide safe reliable treatment of sewage to the City of La Crosse and surrounding region.
2. Protect the environment thru the production of high-quality effluent and proper management of bio-solids.
3. Construction on \$68 Million Dollar WWTP upgrade is underway.

2024 Goals

1. Continued construction of major WWTP upgrade. To be complete middle of 2024.
2. Perform a Condition and Capacity Study of the City of La Crosse Sanitary Sewer pipe network.
3. Develop a market for dry biosolids disposal.
4. Reorganization of Utilities Departments.

Water Utility

Description/Services

The La Crosse Water Utility operates and maintains all the grounds, buildings, equipment, and infrastructure that makes up the City’s water system, including currently 10 active wells, 3 inactive wells, 2 reservoirs (5-million gallon and 150,000-gallon capacities), a booster station, over 220 miles of watermain and the Myrick Pumping Station offices and shop. The Utility has a dual role of supplying water for both everyday use and emergency fire suppression.

The Utility operates as a public enterprise and receives no direct tax money from the City. Revenue sources include sales of water to residential, commercial, industrial and public authority customers and both private and public fire protection charges; billed quarterly.

Revenue from water sales is the major source of Utility income. The Public Service Commission (PSC) of Wisconsin establishes water rates for the Utility as deemed necessary to ensure the long-term sustainability of the Utility. Water rates were last increased in October 2019.

2023 Accomplishments/Highlights

1. Provide safe reliable water to the City of La Crosse with minimal interruptions.
2. Completing a Water Utility Master Plan/Capacity Study.
3. Expanded use of SCADA by operation staff.

2024 Goals

1. Continue implementation recommendations from Risk & Resiliency Study and Corrosion Control Study.
2. Upgrade and implement an asset management system using GIS.
3. Reorganization of Utilities Departments.

Storm Sewer Utility

Description/Services

The storm Water Utility operates and maintains approximately 142 miles of storm sewer collection system, six lift stations, approximately 6,100 catch basins, 16 ponds, numerous bio-cells and swales and over 360 storm water outfalls discharging to the Mississippi, La Crosse or Black Rivers, to the marsh, or into a field, ditch, creek, or similar feature.

This Utility provides financial resources to build and maintain the City storm sewer network, to protect our natural resources by staying compliant with State MS4 Permit mandated water quality requirements and to fund storm water infrastructure upgrades by billing the properties that create stormwater thru user fees.

2023 Accomplishments/Highlights

1. Provided conveyance and treatment of City Storm Water run-off to protect the City and environment.
2. Designed and bid 4 major Stormwater lift station upgrade projects using EDA Grant funding.
3. Hired and trained a Stormwater Coordinator.
4. Developed a BMP maintenance plan and schedule.
5. Perform a Citywide Water Quality modeling to evaluate and report MS4 compliance status.

2024 Goals

1. Finish construction of 4 major Stormwater lift station upgrade projects using EDA Grant funding.
2. Re-evaluate and update 2017 10-yr capacity improvement plan.
3. Redo SWU impervious surface evaluation.
4. Reorganization of Utilities Departments.

Special Revenue Fund Budget Detail

Municipal Transit Fund

Description/Services

The Transit Department operates the Municipal Transit Utility (MTU), which provides safe and reliable public transportation to the City of La Crosse and the surrounding municipalities. The Transit Department is responsible for the applications and disbursement of Federal, State, and local funds for general operating and capital expenses. The MTU oversees three main buildings; The transit portion of the Municipal Service Center, the Bus Holding Facility, and both the commercial and transit portions of Grand River Station.

2023 Accomplishments/Highlights

1. Accepted Two new Hybrid Buses into fleet.
2. Installed new safety barriers in all buses 2019 and newer.
3. Negotiated successful Agreements with the three major schools – University of La Crosse, Western Technical College, Viterbo.
4. Started two new programs with the School District of La Crosse – North Side Run and No Student Left Behind Program.

2024 Goals

1. Complete contracts to replace our final round of buses that are past their useful life.
2. Implement our Shelter Revitalization Program.
3. Expand our School District Program to the south side of La Crosse.
4. New AVL system – with more user options and solve accessibility issues with navigating our system.

2024 Preliminary Operating Budget

Board of Estimates Meeting

September 7, 2023; 2:00 pm

- Budget Highlights
- 2024 Projected Revenues
- 2024 Projected Expenses
- New Position Requests
- ERP & Levy Limit
- Mill Rate Comparison
 - As Proposed
 - Zero Change Scenarios

Budget Highlights and Assumptions

➤ Revenues

- \$2.25 Million of ARPA Lost Revenue Funds utilized
- \$1.80 Million of additional State Shared Revenue
- Qualification of State Expenditure Restraint Program (ERP) aid of approximately \$1.10 Million

➤ Expenses

- A 3% Cost of Living Adjustment for Non-Represented Employees effective 1/1/24 is built into the budget
- A step increase for employees has been included effective 7/1/24
- A 1% Vacancy allowance for all positions based on historical experience
- A proposed 10% increase in Active & Retiree Health Insurance Rates
- Collective bargaining agreement salary increases for the Police and Fire unions
- Any requests of adjustments to the Authorized FTE List have not been included in the budget
- Reduction to Streets budget of \$258,992 by shifting fuel expenditures of approximately \$700,000 to fuel fund

➤ Operating Budget Constraints

- A net new construction figure of \$253,492 (0.68%), the amount the City is allowed to increase the levy by and is proposing to utilize the full amount
- 5.3% was used for the allowable percentage increase for expenditures based on Consumer Price Index. This allows for an increase of expenditures of \$3.25 Million to participate in the Expenditure Restraint Program for 2024 an increase of \$3.05 Million is being proposed

10	Happel Do we have an indication of what 2023 actual new construction might be? Could 2022 actual new construction be less?			
11	DeGier There is no indication but the annual average increase has been around \$500,000 with minor fluctuations.			
12	Sleznikow When will we have actuals on the "TBD" on the estimate? WRS rates are normally determined by the ETF board in late June early July, I would defer to HR on the pay/class study timeline and the ARPA usage will be determined throughout the operating budget process.			
13	DeGier			
14	Neumann Line 27 TBD, what are the limits? (using ARPA/Fund Balance)			
15	DeGier The limits on fund balance is meeting our fund balance policy of 20% and no real limits on using ARPA funds outside of available funds, proper usage of funds and creating a dependency on one time revenues.			
16	Happel ARPA fund has limitations on what it can be used for?			
17	DeGier Yes, the Treasury department has identified specific uses that don't qualify such as setting up a rainy day fund, paying down debt service, use in pension funds. The guidance was that the lost revenue funds could be used on provision of government services excluding the specific prohibited uses.			
18	Mayor We made decision last year to forgo expenditure restraint program to reset baseline.			
19	Happel What was used for one time funding last year?			
20	DeGier \$1.3 Million in land sale, 5 positions funded by ARPA, \$1.6M in fund balance budgeted.			
21	Happel Do we know if there are more one time revenues coming up?			
22	DeGier In the past years we have had one time revenues such as land sales, there are no other anticipated one time revenues that we are aware of at this point outside of using fund balance or ARPA funds.			
23	Mayor What can you tell us about using one time funds for reoccurring expenses?			
24	DeGier This creates a problem in the future by depending on one time revenues and continuing to grow the deficit between reoccurring expenses and revenues that will be hard to overcome when the one time revenues end.			
25	Neumann Why are revenues not growing at pace of expenses?			
26	DeGier Due to the state of municipal financing, we are constricted by levy limits on how much we can increase the levy as well as the holding steady of non levy revenues, while inflation and salary increases grow at a faster pace.			
27	Neumann Can we find another source of revenue?			
28	Neumann 3% COLA how does this compare? Are we doing enough?			
29	DeGier 3% is either on par with other municipalities around the state country or a little lower.			
30	Janssen Is electric and natural gas up in price or has use gone up?			
31	DeGier That I do not know off the top of my head but most likely a combination of both.			
32	Mayor Review schedule of meeting times and dates.			
33	Happel Motion to approve schedule of meetings as presented.	Happel	Janssen	APPROVED
34	Happel BPC directs Mayor and staff to develop budget options for 2023. Multiple options can be developed. One option must include no tax rate increase.	Happel	Janssen	APPROVED

The La Crosse Public Library Board of Trustees recognizes that the City of La Crosse is facing a significant budget deficit and that all City departments must make tough decisions while continuing to serve our citizens. We further understand that the bulk of our municipal operating budget goes to the salaries of our greatest asset, our dedicated employees. As a City department funded through taxpayer dollars, the Library is no exception.

Facing unprecedented budget reductions in 2020, the Library was encouraged to seek long-term solutions when tasked with reducing its budget by \$525,000 over a six-month period. Given the extraordinary circumstances of that period, we tackled this difficult charge and subsequently made the excruciating decision to eliminate 15 of our Librarians, Associates, Assistants, and support staff. Knowing the considerable continued impact this drastic measure would have on library services and programs, we reduced our total FTE count by 11, dropping to 46.08, the lowest staffing level in recent history.

Since 2020, aided partially by ARPA funding, the City's budget allowed a partial restoration of just over half of the 11 FTEs lost. With each reinstated position, the library has incrementally restored services and programs. Library leadership has strategically restructured staffing, ensuring reimplemented positions align with the changing needs of our community. However, the impact of the reduction in force is still being felt by our patrons and our staff. Additional cuts will result in the loss of library positions and further limitations in library services.

While we appreciate the importance of all services municipal employees provide, as well as the seriousness of decisions ahead, we urge City leaders and Common Council to implement a more equalized approach to forthcoming reductions. We make this request as we keep in mind the sizable reductions in library personnel extending beyond the disparate 2020 funding decrease. Over the last thirteen years, the number of library full-time equivalent (FTE) positions has declined by 20%; narrowing from 65.93 FTE in 2010 to 52.75 FTE in 2023.

As our patrons know, the library is first and foremost a service organization. It is our amazing and award-winning staff who make our library the vibrant and essential resource it is. They work tirelessly to provide new services, select and process materials, develop responsive programming, and ensure that our patrons have the information, education, and connection they need. They assist with everything from early literacy development to job searching to collaborations across City departments, local businesses and organizations who serve youth while providing a safe, free, and welcoming community space for our diverse residents and their varied needs within the City of La Crosse.

In light of considerable personnel reductions already absorbed over the course of thirteen years, and in particular, the continued impacts of the disproportionate cut to the library budget in 2020, we respectfully request that departments and services are affected as equitably as possible.

On behalf of the La Crosse Public Library Board of Trustees: Kathy Ivey-Vice President, Araysa Simpson-Secretary, Katie Bittner, Ross Seymour, Aaron Engel-School District of La Crosse Designee, Jessica Thill, Mac Kiel-City Council Representative, and Erin Raymus

I hope this letter finds you well. I am writing to express my deep appreciation for the La Crosse Public Library and to highlight the invaluable role it plays in our community. As a Library board member and frequent user of the Library, I have personally witnessed how this library has consistently enriched the lives of countless individuals, including myself, through its diverse array of services and resources.

The La Crosse Public Library serves as a vital hub of knowledge, learning, and cultural enrichment for our community. It is a place where people of all ages, backgrounds, and interests come together to explore, engage, and grow. I want to talk more specifically of the programs that our Library offers and the impacts they have on our community that may not be as well known.

At our library we have a Community Resource Specialist, Kate. In this position they are making a direct impact on those that use the library that have many different needs. The library itself some could consider as a day shelter for our community as it is open access to all at many times the only place that offers this in our city. Many of our community members who are unsheltered use the library to get connected to resources and Kate is helping them navigate through the different systems. This type of resource at our library is essential in supporting these community members but also in supporting the rest of our city staff in saving time, money, and resources that may have been used if those didn't have the library to go to. All are able to access information, technology and much more, but it is a key factor in helping our community members facing barriers and allowing them to expand their knowledge, apply for jobs, make required appointments and connect to services and resources that require computer access.

Libraries are changing in many ways and look very different from when I was going to my public library each week. The La Crosse Library has a tool library and a creation space! These are amazing tools that are available to anyone in our community and are a huge resource. Being able to use these spaces and save on money and resources is such a big deal. The idea of not having to buy a tool to use once or twice but instead being able to check it out from the library and then use that money in another way to invest in our community. The creation space is very similar in the idea that I wouldn't need to buy my own 3D printer to enjoy using one but instead can go to the library and use it there with many other creative tools.

Lastly, our La Crosse library does so much to bring the community together to better understand each other and gain empathy for experiences we have not been a part of. There are many programs that do this like our regional reads, story times, fitness activities, Monday mornings on main, author talks, history tours, and so much more. The library is truly a place where anyone from all backgrounds can interact and learn from each other without the limitations other spaces may have. It is important we have a deeper understanding of the world and the community we live in, and the library provides those opportunities!

The La Crosse Public Library truly embodies the spirit of community service, providing opportunities for learning, personal growth, and social connection. It plays an indispensable role in fostering a vibrant, informed, and inclusive La Crosse.

In conclusion, I wholeheartedly believe that the La Crosse Public Library is a gem within our community, and its services are essential for the well-being and growth of our residents. I hope

that the library continues to receive the support it deserves to thrive and evolve, continuing to serve as a beacon of knowledge, culture, and community for generations to come.

Thank you for your commitment to the La Crosse Public Library and our community.

Subject: Large item pick up

Dear Mayor Reynolds,

I am writing to strongly encourage you to reconsider eliminating large item pick up. The chaos and mess and illegal dumping that will result from having thousands of people moving out at the same time without an organized system in place to collect the inevitable waste that is necessarily part of being a college town is something you will end up expending more resources dealing with unintended results than if you simply have the packer trucks running around to collect it up.

Im concerned that whoever has proposed this idea does not understand how students make decisions when they don't know what to do. I truly love the students in this community, so I say the following with a quasi-parental caring tone, not a condescending one: it's "monkey see, monkey do". When one student sees another student doing something, they assume that's what is supposed to be done. This already happens with landlocked parcels having to place items on boulevards, and others see it and think that's where items should always go (even if their landlord explicitly explained it goes by the alley next to the recycling). So you will have cascades of illegal dumping in places where students see one or more items and they will just keep piling it on, even if it's in the street or on public property.

I would like to point out that the City of Madison, which is not famous for being friendly towards its landlords, has not dared to cut their large item pick up for student move out:

Crews will begin patrolling the student move out area starting August 1 as staffing and time allows. They will be collecting carts and large items. As more material is set out, more staff will be diverted from regular duties to help with the cleanup.

THE LARGE ITEM WORK ORDER SYSTEM AND STUDENT MOVE OUT

Disposal of Items that Are Free (Furniture, Mattresses, Etc.)

If you live in the [student move out area](#), you will not be required to complete a work order for free large items from August 7, 2023 until the morning of Friday, August 18, 2023. Large item collection crews will be roving the student areas during that time.

In other words, during that above window of time, you will not be required to submit a work order to have couches, chairs, box springs, mattresses, bookshelves, tables, and other free large items picked up from the curb.

If you need a large item picked up after or before this window of time listed above, [you must create a work order](#).

A list of items that require a fee can be found on the [Large Item page](#).

If your large item is not listed, and it is also not an [electronics item that must be recycled by state law](#), then it can be collected at the

A lot of low income residents can't afford the outrageous costs being charged by the haulers, and the free pick up has protected our environment from being trashed and prevented residents from being dumped on by each other. It's a cost of maintaining cleanliness and civility across the community, as well as protecting our marsh.

I'm going to bluntly suggest the best alternative to closing the budget gaps is to go scorched earth on the payroll. Time studies on all non-union employees with less than five years employment with the City across all departments. You are better off shedding people, condensing workloads and giving the people staying on a healthy salary bump. Nobody will struggle to find a job in the current economy. You can bring in an outside firm to perform this task to buffer yourself and the Council from the political heat the process will create. They might also find things that don't affect employment—e.g. what about eliminating a handful of daily MTU runs that statistically show nobody or almost nobody using that route at that time? I constantly hear my mother complain about watching big empty buses rolling around...

I wish you good luck with it, I'm glad I'm not on Council now.
