Mayor Tim Kabat

LaCrosse City council

Dear Mr. Mayor and Council

I am asking permission to amend the premise description for the pettibone boat club (club house) at 617 so Pettibone Drive LaCrosse Wi 54603

The old clubhouse has been razed and a new one is under construction. We are hoping to open in early April.

The new description would be as follows:

One story stick built slab on grade building, (approximately 4700 square feet) clubhouse, restaurant. Alcohol served from an inside bar and an outside bar, serving the bars, main dining room inside and seating outside on the patio and lawn east and south of the building.

Storage: Walk in cooler and secure storage for liquor.

Out Door Cabaret: Patio and lawn to the east and south.

Please let me know if there are any questions or concerns.

Sincerely,

X 

Josh Pogreba
