RE: 8.07 Single Family Rental Registration Waiver
Request for 612 Winnebago St

TO: City Clerk & City Inspection

Jiachun Zhen purchase the home at 612 Winnebago recently and was told it was registered as a rental. It turns out that it is registered as a rental, but NOT AS A Single Family Rental.

This property is in the Washburn District and the previous owners did not upgrade to this Single Family Rental Registration under code 8.07 as they were unaware of this additional requirement. It has been rented for many years and the current owner plans on continuing to do so.

Please grant her a hardship waiver to allow the property to be registered under 8.07. It is already registered under the rental registration.

Thank you
