Re: Amended and Restated Development Agreement for the Development of Parcel 5 of Redevelopment Authority Project North and West of City Hall by River Architects ("Development Agreement")

Dear Stephen:

Val Schute has advised me that at its meeting on December 18, 2017, the Board of Public Works found that River Architects was in compliance with both valuation and job requirements pursuant to the terms of the above described Development Agreement. It is my understanding that as a result of the determination of the Board of Public Works, the Development Agreement is now deemed terminated by the City.

First and foremost, I would like to thank you for your assistance in the handling of this matter.

I am enclosing for your review the following documents:

1. Termination Agreement.
2. A copy of the Title Commitment provided by Knight Barry relative to the real estate which is the subject of this matter, and located at 740 Seventh Street North, La Crosse, Wisconsin.
3. Satisfaction of Mortgage form.
4. A copy of the original Promissory Note running from River Holdings of La Crosse, LLC to the City of La Crosse, and in the original principal amount of \$175,000.
5. Three Release of Assignment forms.

As you will note from a review of the Title Commitment, it has several exceptions in it which relate the Development Agreement with the City of La Crosse, and various security instruments in place in favor of the City of La Crosse, relative to the loan from the City to River Holdings. In order to clear up the title to the real estate in question the following steps/documents will need to be executed:

1. The enclosed Termination Agreement sets forth the status of this matter, the fact that River Architects/River Holdings has fully complied with the terms of the Development Agreement with the City, and specifies additional documentation that will be needed not only to terminate the Development Agreement, but also to terminate the security instruments now held by the City of La Crosse. While the Board of Public Works has made the findings that River Architects has complied with both valuation and job requirements under the Development Agreement, it is my understanding that there will be one more review by the City in August of this year. Assuming that River Architects/River Holdings remain in compliance at that time, I would ask that the Termination Agreement and the other documents attached hereto, be executed by the City. I have diaried this matter for the 1st of August of this year, and I plan on contacting you at that time.
2. The Satisfaction of Mortgage form enclosed satisfies the current Mortgage that the City has against the River Holdings parcel.
3. I request that a representative of the City write on the margin of the enclosed Promissory Note that it has been "PAID IN FULL", and that representative should then sign on behalf of the City and insert the date of the signature. This document would then be returned to River Architects.
4. The City currently has a Collateral Assignment, against certain life insurance policies on the lives of Val Schute and Mike Swinghammer. Since the City has been paid in full, we are asking that the City sign each of these Release of Assignment forms, so that they can be submitted to Northwestern Mutual Life Insurance Company, thereby terminating the Collateral Assignments.

Please contact me should you have any questions about the contents of this letter or the documents enclosed.

Respectfully,

MOEN SHEEHAN MEYER, LTD.

FIXED RATE PROMISSORY NOTE

OBLIGOR River Holdings of La Crosse, LLC	TAX PARCEL IDENTIFICATION NUMBERS 17-20163-130 & 17-20163-131	
AMOUNT \$175,000.00	NOTE EFFECTIVE DATE May 1, 2009	MATURITY DATE May 1, 2024

FOR VALUE RECEIVED, River Holdings of La Crosse, LLC ("Maker") promises to pay to order of the City of La Crosse, Wisconsin, a municipal corporation of the State of Wisconsin, with offices at City Hall, 400 La Crosse Street, La Crosse, Wisconsin 54601 ("Payee"), the principal sum of One Hundred Seventy-Five Thousand Dollars (\$175,000.00), plus interest on the outstanding principal balance accruing from the date hereof at a fixed annual interest rate of 5.3999%. Principal and interest shall be payable in equal monthly installments in the amount of \$1,420.62. The first such principal and interest payment shall be due on or before June 1, 2009, with succeeding payments to be made on the July 1, 2009 and the first day of each month thereafter; provided, however, that the entire balance of principal and interest shall be due and payable, in full, on or before May 1, 2024. Any payment made for a partial month shall be prorated.

All payments under this Promissory Note shall be applied first to the payment of interest then due, and the balance, if any, to principal. Interest will be calculated on the outstanding principal balance on the basis of a 365-day year to the date of receipt of Payee.

All payments of principal and interest due hereunder shall be paid to Payee at 400 La Crosse Street, La Crosse, Wisconsin 54601, or to such other person or at such other address as Payee may, from time-to-time, direct. If any payment of principal or interest, under this Promissory Note, is payable on a day other than a day on which the City is open for business, such payment shall be deemed to be due on the next succeeding business day, and such extension of time shall, in such case, be included in the computation of interest hereunder.

This Note may be pre-paid, in full or in part, without penalty. Any partial prepayment shall be applied to such future installments as the Payee elects.

If (a) there is a default (i) in payment of the principal and/or interest due hereunder, and if such default is not cured within ten (10) days after its occurrence, or (ii) in the performance of any of the terms, conditions or provisions contained herein, or in any document executed and/or delivered by Maker in connection herewith, and if such default is not cured within fifteen (15) days after notice to Maker, or (b) the Maker hereof should make an assignment for the benefit of creditors, become insolvent, or be adjudged a bankrupt, or a receiver, trustee, custodian, liquidator or like officer be appointed to take custody, control or possession of any property of Maker, or (c) Maker shall default under

any other contract or agreement with Payee, which default shall continue beyond any cure period specified in any such contract or agreement, then the entire principal balance, plus accrued interest, shall, at the option of Payee, mature and be immediately due and payable, with interest after acceleration at the annual rate of 8.3999%. Failure to exercise this option shall not constitute a waiver of the right to exercise the same at a later time or upon the occurrence of any subsequent event of default.

If any payment required under this Promissory Note is not paid within ten (10) days after such payment is due, then, at the option of Payee, Maker shall pay a late charge equal to five percent (5%) of the amount of such payment.

Maker waives and renounces presentment, protest, demand and notice of dishonor and any and all lack of diligence or delay in collection or endorsement hereof, and expressly consents to any extension of time, release of any party liable for this obligation, release of any security which may have been or which may hereafter be granted in connection herewith, or any other indulgence or forbearance which may be made without notice to Maker and without in any affecting the liability of Maker.

Nothing contained herein, nor any transaction related hereto, shall be construed or shall so operate either presently or prospectively (a) to require the payment of interest at a rate greater than is now lawful, but shall require payment of interest only to the extent of such lawful rate, or (b) to require the payment or the doing of any act contrary to law; but, if any clause or provision herein contained shall otherwise so operate to invalidate this Note and/or the transaction related hereto, in whole or in part, then such clause(s) and provision(s) only shall be held for naught as though not contained herein, and the remainder of this Note shall remain operative and in full force and effect.

Maker agrees that, if, and as often as this Note is placed in the hands of an attorney for collection, or to defend or enforce any of the Payee's rights hereunder, whether or not litigation is commenced, the undersigned shall pay to Payee the actual, reasonable attorney's fees incurred by Payee, together with all court costs and other expenses incurred or paid by Payee in connection therewith.

All of the covenants contained herein are joint and several, and shall also bind, and the benefits hereof, shall also inure to the respective heirs, executors, administrators, personal representatives, successors and assigns of the parties hereto. Whenever used, the singular shall include the plural, the plural the singular, and the use of any gender shall include all genders. The rights and remedies of Payee, as provided in this Note or any document securing this Note, shall be cumulative and concurrent, and may be pursued singularly, successively or together against Maker, at the discretion of Payee.

This Note shall be construed in accordance with the laws of the State of Wisconsin.

This Note shall be secured by a collateral assignment of life insurance proceeds from either of the following: (i) separate life insurance policies on the life of Valentine J.

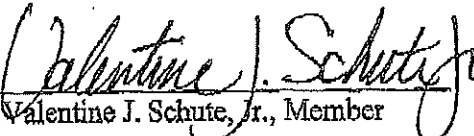

Schute, Jr. and Michael W. Swinghamer; or (ii) on life insurance proceeds owned by the Maker on the lives of Valentine J. Schute, Jr. and Michael W. Swinghamer, with the life insurance proceeds assigned from each such life insurance policy being sufficient to fully pay the entire principal balance and accrued interest, owing from time-to-time, upon the death of either Valentine J. Schute, Jr. or Michael W. Swinghamer. This Promissory Note is also secured by a second real estate mortgage on the improved real estate located at 740 7th Street North, La Crosse, Wisconsin.

Maker agrees that Payee has the right to sell, assign or grant participations, or any interest, in any or all of the principal and/or interest due hereunder, and that, in connection with this right, but without limiting its ability to make other disclosures to the full extent allowable, the Payee may disclose all documents and information which the City now or later has relating to the indebtedness herein. In the event of such a sale, assignment or participation, Payee shall notify Maker, in writing, of the name and address of the Assignee within no more than ten (10) days from the date of any such sale or assignment.

MAKER AND PAYEE EXPRESSLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE BETWEEN THEM OR AMONG THEM ARISING OUT OF OR IN ANY WAY RELATED TO THIS DOCUMENT.

IN WITNESS WHEREOF, the undersigned Maker has executed this Promissory Note as of the date first written above.
