City Clerk  
400 LaCrosse Street  
LaCrosse, Wisconsin 54601

Ref: 11693                      Location: 2902 22<sup>nd</sup> Street South

I am requesting a waiver of 8.07 for the above property.

I have been attempting to sell this property for over five years. Between listings I have been allowing individuals to rent the property so that it is:

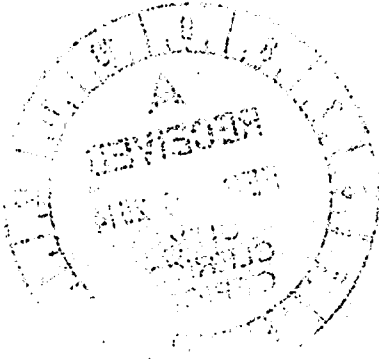

- 1) Occupied. A vacant house leads to deterioration and vandalism.
- 2) Without the income, the house would probably go into foreclosure creating a lot of additional problems.

I do not have a lease, tenants rent month to month.

I intend to do whatever it is going to take to sell this property before the end of this year.

Thank you,

Nick Quint
