Re: Veterans Memorial Municipal Pool

Dear Common Council,

At their May 25, 2017 special meeting the Heritage Preservation Commission recommended that the Common Council also consider Option A of the ISG pool options when reviewing the proposals for a new facility on the Memorial Pool site. The Heritage Preservation Commission approved the designation of both the pool and the bathhouse in April 2016 and therefore, desires the preservation and incorporation of these structures into any future proposal at this site. ISG Option A is the current preferred option of the Heritage Preservation Commission.
