Good morning,

I encourage you to find some short term solutions for the homeless and unsheltered. It is expensive to provide an area for tents, portapots, clean up station, emergency health care, garbage dumpsters, maybe a bus, but cleaning up a park or motel was expensive too. Tenters must adhere to rules such as no criminal activity or they are out on their own.

The rules must be enforced!

It is a difficult issue, but please face it and deal with it instead of ignoring it and hoping it will just go away.

Thank you for addressing this problem.
