To the La Crosse City Planning Committee,

Esteemed Members,

In your upcoming deliberations, please strongly consider maintaining the capitol outlay for the future Regional History Museum and Cultural Center .

As a member of the Mayors ad hoc committee, I have seen significant progress made in the vision and value of such a center. We are in the middle of a feasibility study and early data collected shows enthusiastic public and visitor support.

The events of the last 4 months have impacted us all and often our immediate reaction is to go into crisis mode . Please continue your visionary approach to a future that will distinguish our city, county and region.

Sincerely ,

Sigurd B Gundersen III MD
