Hi Nikki,

It is with a lot of thought and consideration that the Pump House Regional Arts Center has decided to postpone this year's Artspire. Please know that this decision does not come lightly. We are sensitive to these uncertain times and the challenges we are experiencing during the COVID-19 pandemic.

It is our hope and expectation to reschedule the event later this summer; however, we will wait to see what the coming weeks bring before we set a new date.

Regarding our Special Permit, what steps do we need to take? If the date is the only change, will we need to resubmit the same paperwork and fee?

Thank you,

Shannon Given
