

Resolution to replace one of the current Parks Department pickup trucks and one Parks Department utility vehicle.

RESOLUTION

WHEREAS, the Parks Department uses many pickup trucks and utility vehicles on a daily basis to maintain numerous acres of parkland, and these pickup trucks and utility vehicles must be in good, reliable, running condition to complete the needed operations efficiently and timely, and

WHEREAS, the Parks, Recreation & Forestry Superintendent believe it to be prudent to replace one of the current Parks Department pickup trucks and one Parks Department utility vehicle (PAR-TRP-28 & PAR-TLC-01) as to not incur repairs that may far exceed the value of said pickup trucks to maintain departmental efficiency, and may also be an unnecessary burden on the Parks Department Equipment Repair Operating Budget, and

WHEREAS, procurement of the approved 2016 Capital Equipment for the Parks Department is completed and the 2014 Capital Equipment Fund, the 2015 Capital Equipment Fund, and the 2016 Capital Equipment Fund have a collective surplus balance of \$36,200.25 as follows:

4807615-586000-EQP-16 \$35,080.00.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby authorizes the Parks Department to procure one pickup truck and one utility vehicle to replace PAR-TRP-28 and PAR-TLC-01 with funding from Capital Equipment monies listed above not to exceed \$36,200.25 from the above fund balances as listed.

BE IT FURTHER RESOLVED that the Director of Parks and the Director of Finance are hereby authorized to take any and all steps necessary to effectuate this resolution.
