Proposed Rezoning is Necessary Because (Detailed Answer):

Current zoning does not allow for mixed use and we are proposing a combination of residential and commercial uses within the building.

Proposed Rezoning will not be Detrimental to the Neighborhood or Public Welfare Because (Detailed Answer):

Current lots are vacant, or have end of life homes. "Badger West" will provide for a unique lifestyle product near UW-L and WTC. The tax base will be increased, the number of dwelling units will increase, and what is currently an unattractive mix of dead space and old homes will be new homes and renewed neighborhood.

Proposed Rezoning will not be Detrimental to the City's Long Range Comprehensive Plan Goals, Objectives, Actions and Policies Because (Detailed Answer):

This zoning aligns with the City's recent comprehensive plan to increase medium density housing near the educational institutions relieving pressure on the single-family neighborhoods and providing for commercial use as well in the neighborhood.
