RE: Street Vacation

Dear Teri,

With Kwik Trip's ongoing growth in our Support Center campus, we continue to look at our campus master plan. With a pending large Bakery project, infrastructure changes, as well as looking at traffic patterns, and the limited amount of land available to Kwik Trip in the city industrial park, we are requesting the vacation of the remainder of Elm Street, Fairview Drive, and the East half of Rublee Street. I have attached a site plan showing the described streets.

Please feel free to call to discuss further, I am available at (608) 793-6062.

Thank you for your time.

Sincerely,

Todd Nedegaard
