Additionally, Developer agrees to indemnify and hold the City, its officers, employees and authorized representatives harmless for any liability, including without limitation, reasonable attorney fees relating to or in any way arising from Developer's actions or omissions which contribute to the Indemnified Party's inability to comply with the Public Records Law. In the event Developer decides not to retain its records for a period of seven (7) years, then it shall provide written notice to the City whereupon the City shall take custody of said records assuming such records are not already maintained by the City. This provision shall survive termination of this Agreement.

Said repair and/or replacement shall be to the satisfaction of the Board of Public Works.

2.13 Local Subcontractors. It is agreed by Developer that Developer shall engage local subcontractors, workers as well as local suppliers for material. The term subcontractor is as defined in Section 66.0901(1)(d), Wis. Stat. The word, "local," shall mean that the subcontractors and suppliers of material have their principal place of business within the City of La Crosse or within a seventy-five (75) mile radius of the City of La Crosse, Wisconsin.

The Developer further agrees to provide to the City Engineer a list of all subcontractors and it further agrees that eighty percent (80%) of all work performed by subcontractors for construction shall be performed by subcontractors located within the City or seventy-five (75) miles of the City of La Crosse. In determining whether the eighty percent (80%) threshold has been met, the parties shall measure based upon the dollar values of said work. If Developer does not meet this requirement, it may request a waiver from the City Engineer providing reasons for the request of the same. This Section does not apply to fixtures, furnishings and equipment.

6.17. Notification. Developer shall:

6.18. Unrelated Activity. It is the intention of Developer and City that the sole business of Developer shall be the construction, ownership and operation of the Project, and Developer shall take no action inconsistent with such intention, including without limitation the acquisition by Developer of real or personal property unrelated to the Project, investment by Developer in the assets or stock of any other person, joining by Developer with any other person in any partnership or joint venture, or the creation or incurring of indebtedness by Developer unrelated to the Project.

6.19. No Indebtedness. Except in the ordinary course of business and except for funds borrowed to provide the financing for the purchase of the Real Estate or the construction of the Project, Developer shall not incur, create, assume, permit to exist, guarantee, endorse or otherwise become directly or indirectly or contingently responsible or liable for any indebtedness. "Indebtedness" shall mean any liability or obligation of Developer: (a) for borrowed money or for the deferred purchase price of property or services (excluding trade obligations incurred in the ordinary course of business); (b) as lessee under leases that have been or should be capitalized according to generally accepted accounting principles; (c) evidenced by notes, bonds, debentures or similar obligations; (d) under any guaranty or endorsement (other than in connection with the deposit and collection of checks in the ordinary course of business), and other contingent obligations to purchase, provide funds for payment, supply funds to invest in any entity, or otherwise assure a creditor against loss; or (e) secured by any security interest or lien on assets of Developer, whether or not the obligations secured have been assumed by Developer.

6.20. Correction of Defects. Developer shall, upon demand of City (and City may rely on the advice of its inspector and shall not be liable for any errors in such advice), correct any material defect, structural or otherwise, in the Project or any departure from the Master Plan.

6.21. Not for Speculation. Developer represents and warrants that its acquisition of the Real Estate and its undertakings pursuant to this Agreement shall be for the sole and express purpose of the redevelopment of the Real Estate consistent with the Master Plan and the terms and conditions of this Agreement and are not for the speculation in land holdings.

ARTICLE VII DEFAULT

7.1 Developer's Default.

a. **Remedies.** In the event (i) any representation or warranty of Developer herein or in any agreement or certificate delivered pursuant hereto shall prove to have been false in any material respect when made or (ii) of Developer's default hereunder which is not cured within one hundred twenty (120) days after written notice thereof to Developer, the City shall have all rights and remedies available under law or equity with respect to said default. In addition, and without limitation, the City shall have the following specific rights and remedies:

- (1) With respect to matters that are capable of being corrected by the City, the City may at its option enter upon the Real Estate, through legal process, for the purpose of correcting the default and the City's reasonable costs in correcting same, plus interest at one percent (1%) per month, shall be paid by Developer to the City immediately upon demand;
- (2) Injunctive relief;
- (3) Action for specific performance;
- (4) Action for money damages;
- (5) Repayment by Developer of any incentives and damages via special assessment or special charge under Section 66.0627, Wis. Stat., prior to any first mortgage lien on the property. The owners of the Real Estate and their successors and assigns further agree that they waive any objection to the City making said special charge or assessment; however, they still retain their right to object to the accuracy of the amount of the special charge or assessment;

(6) Any other remedy in this Agreement.

- b. **Reimbursement.** Any amounts expended by the City in enforcing this Agreement and the obligations of Developer hereunder, including reasonable attorney's fees, and any amounts expended by the City in curing a default on behalf of Developer, together with interest at one percent (1%) per month, shall be paid by Developer to the City upon demand and shall constitute a lien against the Real Estate until such amounts are reimbursed or paid to the City, with such lien to be in the nature of a mortgage and enforceable pursuant to the procedures for foreclosure of a mortgage.
- c. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- d. **Failure to Enforce Not a Waiver.** Failure of the City to enforce any provision contained herein shall not be deemed a waiver of the City's rights to enforce such provision or any other provision in the event of a subsequent default.

7.2 City's Default.

- a. **Remedies.** In the event of the City's default hereunder which is not cured within sixty (60) days after written notice thereof to the City (provided, however, if the default is of a nature that is not curable within 60 days after written notice, then such longer period of time not to extend beyond 180 days so long as City diligently pursues a cure within 60 days after receipt of written notice from the Developer), Developer shall have all rights and remedies available under law or equity with respect to said default. In addition, and without limitation, Developer shall have the following specific rights and remedies:
 - (1) Injunctive relief;
 - (2) Action for specific performance; and
 - (3) Action for money damages.
- b. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- c. **Failure to Enforce Not a Waiver.** Failure of Developer to enforce any provision contained herein shall not be deemed a waiver of Developer's rights to enforce such provision or any other provision in the event of a subsequent default.

7.3. Mediation of Disputes Required. Unless the parties agree otherwise, prior to litigation and as a condition precedent to bringing litigation, any party deeming itself aggrieved under this Agreement shall be obligated to request nonbinding mediation of the dispute. Mediation shall proceed before a single mediator. The parties shall split the costs of mediation equally. In the event of impasse at mediation, the aggrieved party may then commence an action. However, the parties shall be bound to agree to alternative dispute resolution as ordered by the Court.

ARTICLE VIII MISCELLANEOUS PROVISIONS

Development Agreement Narrative for 413, 417, 423, 425, and 431 West Ave “Badger West Residences”

October 13, 2025

City Council, City Clerk & City Planning

Project Address: 413, 417, 423, 425 and 431 West Ave, La Crosse.

The Badger West project is a compact, high-density redevelopment, replacing aging single-family rental homes with approximately 42-50 apartments, with approximately 42-50 beds, optimizing land use near UW-La Crosse and Western Technical College. Its mixed-use design incorporates approximately 1,500 square feet of commercial space, fostering an active and walkable neighborhood. The residential component offers three different housing options, including studio and 1-bedroom modular interiors featuring ORI furnishings, accommodating a diverse range of urban residents.

Over the past two years we have met with planning staff, engineering staff and legal staff with regards to this project to obtain rezoning and a partial street vacation of 12th St North.

The partial vacation of 12th Street is a key infrastructure improvement, facilitating better site design while preserving emergency access and enhancing future connectivity within the city's street system. The project revitalizes an underutilized area by replacing deteriorated structures with a modern, well-designed building that improves the streetscape and neighborhood.

Sustainability is integral to Badger West Residences, with the Agriwild landscaping concept incorporating native plantings to enhance ecological benefits and urban green space.

Badger West Residences aligns seamlessly with the City of La Crosse's Comprehensive Plan and Vision for Future Land Use in the Downtown neighborhood. The plan calls for an increase in affordable housing while maintaining a mix of housing types. This development directly supports that objective by introducing high-density affordable housing that fits within the neighborhood's scale and character. As outlined in the city's plan, the site's location along a high-traffic corridor makes it an ideal fit for higher-density housing. The project's mixed-use nature aligns with the city's preferred use for commercial spaces that serve residents by incorporating a commercial element within residential projects.

We look forward to improving the aesthetics of this block, providing needed housing around the WTC and UW-L campuses, and increasing the tax base with the Badger West Residences project.

PLAN
DEVELOP
MANAGE

Currently, the site has an approximate value of \$400,000. With the completion of the Badger West Residences development, the projected value will increase to approximately \$6,600,000. This significant appreciation reflects the project's alignment with the city's goals of enhancing property values, increasing the local tax base, and encouraging responsible urban development.
