

OBJECTION FORM
FOR
SIDEWALK SNOW-ICE REMOVAL

AS OWNER of the property identified as:

Tax Parcel I.D. # 17-30121-30

Address 622 S 8th

I hereby object to the charges dated: 12-14-08

Invoice #: 00006495

For sidewalk snow-ice removal and wish to be heard by the Board of Public Works.

My reason for filing an objection is:

The day of the removal I had went and bought at least 20 bags of salt to clear 8-10 properties that were not down all the way to the concrete. My typical guy that takes care of them was having trouble keeping up so I was helping out. I went around starting with this property salting them all and then returning to chip off all ice. After salting all of them and returning 2 hours later it had been done. I didn't get a chance to do that one but did go finish all the others. While doing those I took pictures of city sidewalks that were worse than the one at 622 S 8th, I take snow removal seriously and do the absolute best I can. All I ask is to be treated fairly.

- I understand why this service is put in place and if I had ignored the property and not done it I would gladly pay. I just feel if the city walks were worse than the one I was charged for that's a bit unfair.
