Dear La Crosse Council members,

*I am a resident of La Crosse's northside and saw the Tribune's article about the old firehouse sale on **626 Monitor Street**. I strongly support proceeding with the sale to Property Logic III.*

*The northside needs more full-time, high paying jobs with good benefits and it sounds like Mr. Schilling's proposal will provide that to our community. While start-up businesses sound nice, they don't provide the kind of employment that people can make a good living off of.*

*Please proceed with the sale to Property Logic III. Thank you for your consideration.*

A handwritten signature in black ink that reads "Joann Hanson". The signature is fluid and cursive, with the first name "Joann" written in a larger, more prominent script than the last name "Hanson".
