Hi Sondra,

Attached is the revised CSM for final review and along with the deed that cleans up ownership. If you could route and confirm all is good and then we will ship the final CSM for Clerk signature.

Thanks much.

Lisa,

Yes, shipping an original and then having City Brewing pick it up would be fine. We will have to route the final CSM to all departments and receive their approval before the Clerk can sign it. If you are able to email me a copy of the final as well, I can get it routed to the departments and speed up the process. Let me know if you have any other questions.

Thanks,
