Resolution allocating funds Passenger Facility Charge applications

Staff/Department Responsible for Legislation

Airport

Requestor of Legislation

Ian Turner

Location, if applicable

La Crosse Regional Airport

Summary/Purpose

This resolution allocates funding to amend and closeout existing Passenger Facility Charge application #10 and #11. It also approves the preparation and submission of Passenger Facility Charge application #12.

Background

An imperative source of funding for capital projects is the La Crosse Regional Airport's Passenger Facility Charge funding. Two currently approved applications are nearly completed and need amending and closing out. In order to continue collecting this funding, a new application must be prepared and submitted to the Federal Aviation Administration for approval. Leibowitz & Horton was selected to perform this work by Resolution 22-1367.

Fiscal Impact

The fee for this work is not to exceed \$104,860 which is available in the Restricted Cash - PFC-R account. These expenses are eligible for future reimbursement through the Passenger Facility Charges.

Staff Recommendation

Airport staff recommends approving this item.
