RE: City of La Crosse
River Point District Phase II (Street A) –
Design and Bidding Services
SEH No.155715 14.00

Matt Gallagher,
City Engineering
City of La Crosse
400 La Crosse Street
La Crosse, WI 54601

Dear Mr. Gallagher,

Short Elliott Hendrickson Inc. (SEH) appreciates the opportunity to provide this proposal for professional services for the Design and Bidding Services for River Point District Phase II. The attached proposal outlines our proposed scope of services, based on our understanding of the project.

As discussed with SEH's design team and the City of La Crosse's infrastructure team it will be important to keep this project on schedule. To stay on track with the City's infrastructure we anticipate spending no more than \$100,000 over the next six weeks (September 1- October 15). After the six-week time frame, the remainder of \$388,800 would take place over the next 22 weeks as indicated on the schedule.

We appreciate the opportunity to work with the City of La Crosse. If you have any questions, please feel free to contact me at 608.518.3679 or via e-mail at rsanford@sehinc.com.

Sincerely,
SHORT ELLIOTT HENDRICKSON INC.
