

(Draft February 2020)

JOIN THE CITY OF LA CROSSE ARTIST REGISTRY!

The City of La Crosse Arts Board is pleased to announce a new registry for the purposes of connecting artists to:

- opportunities sponsored by the Arts Board
- area businesses seeking to partner with artists in a variety of professional capacities
- fellow artists to facilitate networking and collaboration

The registry is managed by the Arts Board and is open to artists and performers from all media and genres who live, work, or actively create in the City of La Crosse. The Artist Registry is also open to arts-based groups/organizations, such as performing arts troupes, bands, collectives and collaborations. There is no fee for inclusion in this registry.

The core requirements for inclusion in the Artist Registry is providing three (3) samples of work for each primary category. For example, if an artist were both a performing artist and a visual artist, they would submit three samples of their work as a performing artist and three samples of their work as a visual artist. Samples of work can include an image of the work, a link to a review or an article, an embedded video or audio track, and image of a performance, etc. If you feel there is no way to provide samples of your work, please contact us.
