

# Petition to Protect and Preserve Grandad's Bluff Distinct Nature and Develop Diverse and Safe Recreational Activities.

<b>Petition summary and background</b>	The Proposed Grandma's Gateway (GG) plan was developed with limited input from our diverse citizenry. The Proposed GG plan did not include any legitimate scientific studies, testing, or evaluations regarding Grandad's Bluff varying slopes, soil composition, stormwater drainage patterns, history of rockslides, boulder dislocation, environmental impact, etc. Without such, Grandad's Bluff neighborhood homes, residents, and GG users are at risk. In addition, the iconic Grandad's Bluff landscape will be irreversibly altered. We further request that any ultimate plan include the recommendations from of a newly formed Grandad's Recreational and Environmental Advocacy Team (GREAT) comprised of 2 members from each of the following interest groups - Environmental, Conservancy, Wildlife, Hiking, Biking, Grandad's area neighborhood, Educational Systems (1 from k-12 and 1 from college), Disability, Mental Health/Medical, & 2 open citizen positions.
<b>Action petitioned for</b>	We, the undersigned, are concerned citizens who urge our leaders to act now to stop the proposed plan referred to as Grandma's Gateway (GG) until all interested stakeholders have the ability for their opinions to be represented & all environmental, conservancy, traffic & safety concerns have been legitimately addressed & resolved.
