Resolution approving transfer of land to the Mississippi Valley Conservancy, Inc.

➤ **ROUTING:** F&P Committee

➤ **BACKGROUND INFORMATION:**

As part of the Taxiway F project the La Crosse Regional Airport was required to purchase land and perform wetland mitigation in Crawford County, WI. The wetland mitigation performance period was for five years which the Airport has successfully completed. Since the land is required to be maintained as a wetland in perpetuity, and since the Airport has no desire to own a parcel of land that is non-contiguous to the Airport, they would like to transfer the land the Mississippi Valley Conservancy.
