Hi Erin,  
I did not see this letter included in the list attached to the agenda for tomorrow night's meeting. I feel there were a couple of others missing as well, and will send them along if I can find them.  
Thank you for your help,  
Peggy

As the historical researcher I support the funding for the New Museum Task Force as part of line item 733.

The La Crosse County Historical Society connects La Crosse to its rich history and strives to unbury hidden stories from people of color and women. All this history is made available to the schools and libraries in the La Crosse area.

If you did not see the show Juxtapose at the LCHS New Museum, you missed a splendid event.
