City Clerk,

My husband and I volunteered for three winters at Catholic Charities Warming Center. That experience gave us a different perspective on people who don't have housing. They are our neighbors. With the pandemic, our community will likely have more people in need of help.

Please change zoning of the building at 508 Fifth St. S. to commercial. Catholic Charities has done what is needed to make the surrounding area safe and clean.

Thank you.  
Frank and Arlene Corona
