Hello,

This message is directed at everyone but Olson, Kahlow, and Neumeister.

You didn't listen. You dismissed the valid and appropriate concerns of the people with strawman arguments and ignorance. WE ARE THE COMMUNITY. Your "work" is a disgrace to this community. You will not regain the trust of the people by ignoring the problems at hand. You will be on the tail end of change and I, for one, will be embarrassed if you continue to ignore the people. Shame on you.

A Prideless Community Member.
