Re: Rezoning Petition for the STAR Center

Dear Members of the Common Council,

The Board of Directors of the Sports, Therapeutic and Adaptive Recreation Association respectfully submit a petition for an amendment to current Zoning District Boundaries. The parcel (tax parcel 17-10289-40) located at Lang Drive and St. Andrews is the proposed location of the STAR Center, a collaborative community project to address Health Equity within La Crosse.

Please find attached the Petition for Change to Zoning, all supporting documents, a General Development Plan, and narratives addressing all information requested in Section 115-156 of the Municipal Code of Ordinances.

Please reach out to us if we have omitted information that would be of value to you in evaluating this request. We hope you join us in our mission to assure ALL members of our community can live their healthiest lives possible.

Respectfully,

A handwritten signature in black ink that reads "Virginia Wintersteen". The signature is written in a cursive, flowing style.
