Dear La Crosse Common Council Members,

I'm writing to share my support for Alternative 1, the option that includes protected bike lanes on 3rd and 4th Streets.

This project is a once-in-a-generation opportunity! Adding protected bike lanes will make it easier for people to move through downtown — whether they drive, walk, or bike — without taking any options away.

Downtown already has more than 3,000 parking spaces in surplus, so we can afford to make space for people. Cities that have made this kind of investment have seen it support local business and create more vibrant, welcoming streets.

I, along with my fellow La Crosse citizens, urge you to please choose the option (Alternative 1) that reflects the future we want for La Crosse! It will benefit us all.

Thank you for taking the time to consider my email on this important matter. Have a great rest of your week and holidays!

Sincerely,
Riley Radle
