

18-0685 - Letter from PPH Neighborhood Association

City Plan Commission
400 La Crosse Street
La Crosse, WI 54601

To Whom It May Concern:

During our June 2018 Powell Poage Hamilton Neighborhood Association meeting, a motion was passed unanimously by the present membership, stating that PPH cannot support the Benson Property Management project at 1114 and 1120 5th Avenue South in its current location and configuration. It is not consistent with our neighborhood plan. While we appreciate the effort of both Benson Property Management and Architectural Design to address our concerns with the current project, we were unable to come to an agreement. The current plan is again not in conjunction with our current neighborhood plan and we cannot support it at this time.

Respectfully,

PPH Neighborhood Association
