Attention Matt Gallagher,

Per our conversation, please find attached the Finding and Order Application for the requested cross walk at 811 Monitor Street.

Also please email me a summary of our conversation today so that I can share the information with Jay Johnson and request that she lobby for additional lighting along Monitor Street as this is a safety concern. I look forward to receiving this information ASAP so that we can attempt to get this on the next agenda.

I'll also watch for contact from you regarding the Board of Public Works Meeting agenda.

Thank you,

**Lisa Deml, Senior Vice President Administration**
