Sorry I am sick and my head is just not working right.

The reason for the dispute is that I was not aware that I was being charged. With things like parking tickets, you are made aware. Had I known I got charged, no way would I have made the mistake of not shoveling again. I just really think the city could make tickets just like they do for parking and stick them to people's doors to at least make them aware at the time of it happening.

I cannot afford a \$760 random bill, and I'm sure 75% of La Crosse residents can't either. I will have to take on a loan or credit card to pay that.

Lastly, I travel out of town every weekend, for days at a time. Am I supposed to travel back if it snows?

Sorry if I'm sounding rude. You were calm on the phone and I appreciate that. I am just scared because I don't know how to pay this.

Hey,

I'm Braden (the guy who just called). I forgot specifically what I was supposed to tell you, just that I want to try to appeal the charges. Bare minimum I think I'll need a payment plan if possible. Can you get me setup with the meeting on Monday?

Thanks,

Braden
