MEMORANDUM

DATE: December 3, 2014
TO: Local Government Officials
FROM: Keith Butler, Emergency Management Coordinator, La Crosse County
SUBJECT: LA CROSSE COUNTY MULTI-HAZARDS MITIGATION PLAN 2015 - 2019

Dear Local Officials

The La Crosse County Multi-Hazards Mitigation Plan 2015 - 2019 has been approved by Wisconsin Emergency Management and FEMA pending adoption by the local municipalities. This plan has been developed from information gathered through local elected official surveys, a public information meeting and La Crosse County Local Emergency Planning Committee meetings. Enclosed is a resolution for adoption of the plan. By adopting this plan your jurisdiction will remain eligible for FEMA's Hazard Mitigation grant programs which can assist greatly when recovering from disasters or developing mitigation projects to reduce losses from future disasters. We would like to send in the final plan to FEMA by January 31, 2015. Included in the plan must be a copy of all resolutions from jurisdictions, which adopt the plan. If you could address this resolution at one of your upcoming meetings we would greatly appreciate it. If you do adopt the plan please send me a copy of the adopting resolution. If you have any questions please do not hesitate to call me at (608) 789-4811 or Dave Bonifas, Community Development Planner & GIS Specialist with the Mississippi River Regional Planning Commission (608) 785-9396.
