Subject: Request for Temporary Street Privilege Permit

We request approval for the use of King Street between 4th and 5th Street including the south traffic lane, the parking lanes and the sidewalk. We also request use of the parking spots along 4th Street for vendor parking and use by mobile food vendors. This is the same usage as approved for 2016. Usage times are Fridays from 1 – 8pm and Saturdays from 6 – 1pm, May – October.
