Dear City Council,

Thank you for supporting trails that my entire family can enjoy all at the same time. Rather than all go separate places, we all go together to ride bikes, hike, run, etc. at upper & lower Nixon. Please continue to support this in our community.

Sincerely, Sean Meyers.

Dear City Council,

I wish we had more hiking trails in La Crosse/Hixon Forest. The mtn hiking is phenomenal + word has travelled all the way to Madison. But I think we could turn some of the more challenging terrain/sense routes into wonderful hiking routes. + also make word of hiking trails here reach statewide.

You are great at supporting ORA. First, you approve a lot of Bike Parks. Second, you approve a lot of trail ideas. Lastly, you just generally support ORA. This is why you are amazing supporters of ORA.

THANK YOU!!
