Re: Referral of Action for 1 Month

Dear Sir or Madam,

The Tomah VA submitted a Conditional Use Permit application for the property at 3120 Farnam Street in La Crosse. The application is scheduled for discussion at City meetings on October 1 and 2, 2018. Tomah VA requests a referral of action on the application for 30 days to the next scheduled meetings (October 29, 30 and Nov 8).

The 30-day timeframe will allow Tomah VA time to prepare and submit additional data and information to clarify the program parameters and intended use.

Thank-you in advance for your consideration of this request.

Sincerely,

 acting for

Victoria P. Brahm, MSN, RN, VHA-CM
Medical Center Director
