Dear council members,

I am asking you to oppose any restrictions on my ability to operate a short term rental. I have rented as an AirBNB for over 3 years with no complaints. I am a life long city resident and keep up my property and pay my taxes. I live in Washburn neighborhood and there are many BnBs here with no issues. Please do not restrict our ability to make a living based on one disgruntled resident!

Thank you.  
Nancy Johnson
