FILED ON: 1/20/2020

AN ORDINANCE to amend various sections of Section 48 Article 3 of the Code of Ordinances of the City of La Crosse regarding Sewer and Storm Sewers.

SECTION 1: Paragraph (3) of the definition of Significant noncompliance in Section 48-105 is hereby amended to read as follows:

(3) Failure to provide reports for compliance, schedules, self-monitoring data for categorical standards (excluding monitoring reports for 50-day compliance reports) and periodic reports within 45 days from the date of monitoring reports, or failure to provide compliance reports as follows:

Biochemical Oxygen Demand (BOD)	350 mg/l or less
Chemical Oxygen Demand (COD)	500 mg/l or less
Total Suspended Solids (TSS)	350 mg/l or less
Fats, Waxes, Oil and Grease (FOG)	100 mg/l
Phosphorus (P)	3.0 mg/l
Ammonia Nitrogen (NH ₃ -N)	3.0 mg/l

(4) The user fee or will be subject to Federal categorical discharge standards.

(5) If said user fee is required under NR211.15 (4)(b)(c) and (d) the contract authority may classify and permit user as a Non-Significant Categorical User (NSCU) and waive the user fee.

(6) SECTION 48-110(a)(3) is hereby amended to read as follows:

SECTION 48-110(a)(3): The definition of Normal discharge strength wastewater in Section 48-105 is hereby amended to read as follows:

(1) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point. The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(2) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(3) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(4) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(5) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(6) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(7) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(8) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(9) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(10) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.

(11) The user shall not discharge into the sewer system any discharge which is not a normal discharge and which is not a discharge from a permitted discharge point.
