I live at 2020 Park Avenue, bought my home 24 years ago, and DO NOT want to see an apartment complex built on the site. This is a very nice, family oriented neighborhood with people who take pride in and maintain their homes, and we do not want an apartment complex in our neighborhood, potentially bringing in unsavory tenants. If my property taxes have to go up to maintain the Historical Preservation status of the site and allow single family homes or townhouses, then I am willing to pay the additional taxes.

Respectfully,

Laurie Becker
