OBJECTION TO ISSUANCE OF CONDITIONAL USE PERMIT

I hereby object to the issuance of a Conditional Use Permit at the following location
1120 Caledonia St. La Crosse, WI 54603
l object for the following reason(s):
I object the application of RR Properties of the Midwest, LLC for their proposed community living arrangement facility at the "said"
location above because their facility will ruin the quality of life on their block and neighboring blocks like mine at the 1000 block of
Caledonia St. due to the clientele that they will serve. A drug and alcohol treatment center is not what the "Old Towne North"
neighborhood needs at this point as there is a vibrant church next door and many children play and walk past the property every
day. Lastly, we don't need the increase in traffic and congestion in and around the block, my block, and other areas due to safety
and quality of life concerns. There is nothing good about this proposal that I can support.
I further certify that I am the owner of the following described lands (include legal description
from tax bill):
