In connection therewith, it is contemplated that Developer will swap land it owns located at 1109 St. James Street and 901 George Street and described in **Exhibit C**, with that portion of the Real Estate known as 833 Kane Street and described in **Exhibit G**. The purchase price for each land swap parcel shall be one dollar (\$1.00). Transfers shall be by warranty deed and the parties shall share equally in the transaction costs.

2.2. Develop the Real Estate. Developer agrees to develop and improve the Real Estate by undertaking the Project, all in accordance with the Master Plan.

- a. **Site Preparation.** Developer shall prepare the Real Estate for construction of the Project, including, without limitation, any necessary demolition or other removal of improvements or preparation currently located on the Real Estate.
- b. **Construction Schedule.** Developer shall commence or cause other entities to commence construction on the Project, as described in **Exhibit B**, on or before September 4, 2018 with Substantial Completion on or before December 31, 2019, generally in accordance with the Construction Schedule set forth on **Exhibit F**.
- c. **Guaranty of Minimum Construction Costs.** Developer agrees that the buildings and improvements associated with the Project shall have an aggregate minimum construction cost of not less than Seven Million Eight Hundred Thousand dollars (\$7,800,000.00). The estimated Project Cost Breakdown is provided on **Exhibit E**.
- d. **Rights of Access.** Developer shall permit the representatives of the City to have access to the Project at all reasonable times during and following the construction when the City deems access necessary to ensure compliance with the terms and conditions of this Agreement

including, but not limited to, access for inspection of all work being performed in connection with the Project as set forth in the Master Plan. No compensation shall be payable nor shall any charge be made in any form by any party for the access provided in this Agreement.

- e. **Property for Public Streets and Public Improvements.** If applicable, Developer shall dedicate and/or transfer or convey all public streets, public rights-of-way and all necessary public sewer and water utilities within the Real Estate, as depicted in the Master Plan, as finalized, to the City at no cost to the City.
- f. **Master Plan.** Prior to obtaining any building or other permits and/or commencing any construction or development on the Real Estate, Developer shall submit a Master Plan setting forth all the details of construction and development to the City Plan Commission for review and approval. Said Master Plan shall conform in all material respects to the provisions of this Agreement, all applicable federal, state and local laws, ordinances, rules and regulations and shall include preliminary and final building, site and operational Plans and Specifications, including, without limitation: (1) building plans and specifications; (2) architectural plans, renderings and specifications; (3) building material plans and specifications; (4) preliminary and final site plans; (5) landscaping plans; (6) stormwater and erosion control plans; (7) lighting plans; (8) traffic and circulation plans for pedestrians, bicyclists, transit riders, truck and delivery vehicles, and automobiles; (9) signage plans and specifications; (10) water and sewer plans; and (11) any other preliminary or final plans, specifications or other requirements as determined by the City Planner. The Master Plan for the Project was approved by the City on June 4, 2018 and by the Common Council on June 14, 2018.

2.3. Local Subcontractors. It is agreed by Developer that Developer shall engage local subcontractors, workers as well as local suppliers for material. The term subcontractor is as defined in Section 66.0901(1)(d), Wis. Stat. The word, "local," shall mean that the subcontractors and suppliers of material have their principal place of business within the City of La Crosse or within a seventy-five (75) mile radius of the City of La Crosse, Wisconsin. The Developer further agrees to provide to the City Engineer a list of all subcontractors and it further agrees that eighty percent (80%) of all work performed by subcontractors for construction shall be performed by subcontractors located within the City or seventy-five (75) miles of the City of La Crosse. In determining whether the eighty percent (80%) threshold has been met, the parties shall measure based upon the dollar values of said work. If Developer does not meet this requirement, it may request a waiver from the City Engineer providing reasons for the request of the same. This Section does not apply to fixtures, furnishings and equipment.

2.4. Compliance with Planning and Zoning; Use. Developer, at its own expense, shall obtain all approvals, permits and licenses as may be required by any governmental or non-governmental entity in connection with the Project. Any conditions imposed on Developer to obtain any approval, permit or license must be acceptable to the City. Developer will not initiate, approve, consent to or participate in any change or modification of the zoning in effect for the Real Estate or any portion thereof, without the City's prior written consent. No property within the Real Estate shall be used for any use other than as set forth in the Master Plan and this Agreement and as approved by the City, including any conditions attendant with such approval, unless such use is further approved by the City under its normal zoning, review and approval procedures.

2.5. Maintenance and Repair. Developer agrees that at all times after construction of the Project, it will keep and maintain the Real Estate and the Project in good condition and repair.

2.6. Taxes. It is understood that the land, improvements and personal property resulting from the Project shall be subject to property taxes. Developer shall pay when due all federal, state and local taxes in connection with the Real Estate and all operating expenses in connection with the Real Estate and Project.

- a. **Annual PILOT.** In the event that some or all of the Real Estate or personal property is or becomes exempt from general property taxes under Chapter 70, Wis. Stat., as amended or superseded, or by any other statute, provision or reason, then Developer shall make an annual payment to the City in lieu of taxes (“Annual PILOT”) for the services, improvements or facilities furnished to the Real Estate by the City and other taxing jurisdictions. The amount of the Annual PILOT shall be computed and determined by the City Assessor by multiplying the fair market value (using tax assessment definitions, rules and procedures) of the tax exempt portion of such property by the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City. Developer or the then current owner of the tax exempt property, its successors or assigns shall pay the Annual PILOT within sixty (60) days of receipt. Developer shall have the right to appeal the determination of the City Assessor to the City Council. Any appeal shall specifically state the reasons, in writing, why the amount due as provided by the City Assessor is in error. The parties agree that the Annual PILOT shall survive for a period of twenty (20) years after the signature date of this Agreement or the life of the TID #16, whichever is longer. Notwithstanding, the Developer or its successors shall not be responsible for any Annual PILOT resulting from the Real Estate or a portion thereof becoming tax exempt due to the use of eminent domain by the United States or some other governmental entity.
- b. **Guarantee.** As an additional inducement and in consideration for the City entering into this Agreement, Developer guarantees faithful performance and compliance with all the terms, covenants, conditions and obligations to be kept and performed by Developer contained in this Agreement, including, without limitation, the obligation that the Project shall have an assessed value of not less than one million six hundred thousand dollars (\$1,600,000.00) beginning in tax year 2020 and for a period of twenty (20) years or the life of TID #16, whichever is longer. Developer agrees that this minimum assessed value on the Project shall remain a lien on the Real Estate and shall run with the land for a period of twenty (20) years or the life of TID #16, whichever is longer.
- c. **Deficiency PILOT.** In the event the assessed value of the Project is less than one million six hundred thousand dollars (\$1,600,000.00) (the “Guaranteed Assessed Value”) as of January 1, 2020 or as of January 1st of any tax year thereafter for a period of twenty (20) years or the life of TID #16, whichever is longer, then the Developer or the then current owner, or its successors or assigns, hereby agrees to make a deficiency payment for that year to the City in an amount calculated by multiplying (a) the difference between the Guaranteed Assessed Value and the actual assessed value of the Project for the tax year at issue; times (b) the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City (the “Deficiency PILOT”). The City shall give the Developer or the then current owner, or its successors or assigns written notice (the “Deficiency Notice”) of any Deficiency PILOT that may be due for that year and said Deficiency PILOT shall be due within 60 days of the owner’s receipt of the Deficiency Notice. This requirement shall be a lien running with the land for a period of twenty (20) years or the life of TID #16, whichever is longer.
- d. **Special Charge.** In the event there is a lack of compliance for payment of the Annual PILOT or Deficiency PILOT, then the City, in addition to any other remedy available at law or in equity, may levy a special charge or assessment under Section 66.0627, Wis. Stat., prior to

any first mortgage lien on the property for the delinquent amount as calculated herein to enable the City to enforce performance of the Developer's obligations. The owners of the Real Estate and their successors and assigns further agree that they waive any objection to the City making said special charge or assessment; however, they still retain their right to object to the accuracy and amount of the special charge or assessment.

2.7. Transfer or Sale of Real Estate.

- a. **Notice of Intent to Transfer.** No property within the Real Estate may be sold, transferred, or otherwise conveyed unless the Developer first provides to the City written notice of intent to transfer the property at least forty-five (45) days before the sale, transfer or conveyance is to occur. This Section shall not apply to nor restrict a transfer to Developer's financing entity, e.g. placing mortgages on the Real Estate, foreclosure of such mortgages or a deed in lieu of foreclosure, nor a residential or commercial lease agreement for individual residential living units, individual commercial lease spaces, or parking spaces.
- b. **No Transfer to Exempt Entities.** No property within the Real Estate may be sold, transferred or conveyed to, or leased or owned by any entity or used in any manner which would render any part of the Real Estate exempt from property taxation, unless the purchaser, transferee, lessee or owner first executes a written agreement satisfactory to the Economic Development Commission providing for payments in lieu of taxes to the City as contemplated by Section 2.6(a) above.
- c. **Assignees and Transferees Bound by Agreement.** Any assignee or purchaser or transferee of any portion of the Real Estate shall be bound by the terms and conditions of this Agreement, which shall run with the land and be binding upon all such assignees, purchasers and transferees. The Developer shall not sell or transfer any portion of the Real Estate to any entity unless and until the Developer has provided the City with written evidence satisfactory to the Economic Development Commission that such assignee or entity has agreed in writing to be bound by the terms of this Agreement.
- d. **Subdivision.** Property within the Real Estate shall not be further subdivided without approval of the City.

2.8. Easements. Developer shall grant the City or any public utility such easements as reasonably necessary for public improvements, infrastructure, ingress or egress, utilities, lighting or landscaping or any other need necessary to effectuate development of the Real Estate in accordance with the Master Plan at no cost to the City.

2.9. Insurance. For a period of twenty (20) years or the life of TID #16, whichever is longer, Developer shall maintain insurance in such amounts and against such risks both generally and specifically with respect to the Real Estate, as are customarily insured against in developments of like size, kind and character, including customary builders risk insurance during construction and customary casualty, property and liability insurance, with deductibles in accordance with reasonable industry practice. Notwithstanding, Developer shall carry casualty insurance for the Project at not less than the replacement value and further agrees and covenants to apply, subject to the rights of any senior mortgage lien holders, any and all insurance proceeds to rebuild the Project, maintain the Project and Real Estate and to name the City as an additional insured to the extent of this covenant provided in this Section. Developer shall provide to the City certificates of all such insurance.

2.10. Indemnity. Developer shall indemnify and hold harmless the City, its officers, employees and authorized representatives, ("Indemnified Party"), from and against any and all liabilities, including, without limitation,

remediation required by any federal or state agency having jurisdiction, losses, damages, costs, and expenses, including reasonable attorney fees and costs, arising out of any third-party claims, causes of action, or demands made against or suffered by the Indemnified Party on account of this Agreement, unless such claims, causes of action, or demands: (a) relate to the Indemnified Party failing to perform its obligations to Developer; or (b) arise out of any willful misconduct of the Indemnified Party. At the Indemnified Party's request, Developer shall appear for and defend the Indemnified Party, at Developer's expense, in any action or proceeding to which the Indemnified Party may be made a party by reason of any of the foregoing.

2.11. Utilities.

- a. Other Utilities.** Developer shall be responsible for, pay for and cause electrical power, telephone facilities, cable TV lines, and natural gas facilities to be installed in such a manner as to make proper and adequate service available to each building in the Project, as described in the Master Plan. Plans indicating the proposed location of each such utility to service the Project shall be shown on the Master Plan and construction plans to be provided to the City Plan Commission for approval prior to the installation of the utility.
- b. Water and Sewer.** Developer shall be solely responsible for and shall pay all costs of connecting water and sewer service from the public streets, alley, right of way, or other approved infrastructure to the buildings within the Real Estate.

2.12. Restrictions. Developer agrees to neither use nor allow a third-party to use the Real Estate for adult entertainment, pawnshops, mini-warehouses, car title loan business, payday lenders, tattoo parlors, and/or off-premise signs for a period of twenty (20) years or the life of TID #16, whichever is longer. "Payday lenders" and "car title loan business" shall exclude banks and credit unions. This shall be a deed restriction against the Real Estate and shall run with the land.

2.13. Record Retention. Developer understands and acknowledges that the City is subject to the Public Records Law of the State of Wisconsin. As such, Developer agrees to retain all records as defined by Wisconsin Statute § 19.32(2) applicable to this Agreement for a period of not less than seven (7) years. Likewise, Developer agrees to assist the City in complying with any public records request that it receives pertaining to this Agreement. Additionally, Developer agrees to indemnify and hold the City, its officers, employees and authorized representatives harmless for any liability, including without limitation, reasonable attorney fees relating to or in any way arising from Developer's actions or omissions which contribute to the Indemnified Party's inability to comply with the Public Records Law. In the event Developer decides not to retain its records for a period of seven (7) years, then it shall provide written notice to the City whereupon the City shall take custody of said records assuming such records are not already maintained by the City. This provision shall survive termination of this Agreement.

2.14. Repair and/or Replacement of Infrastructure. Developer shall repair and/or replace any damaged City infrastructure or other City property that may occur as a result of the Project, including, without limitation, sidewalks, landscaping, asphalt and light poles. Said repair and/or replacement shall be to the satisfaction of the Board of Public Works.

2.15. Impact Seven Obligations. At such time as City may advance the Contribution, or any portion thereof, to Impact Seven, Impact Seven shall immediately loan the Contribution to the Developer for application to Project costs. Impact Seven shall direct the City to deposit any such Contribution into escrow with First American Title Insurance Company ("Escrow Agent"), who shall act as escrow agent with respect to said funds. Impact Seven shall direct the Escrow Agent to advance the Contribution proceeds to the Developer for payment of Project costs.

ARTICLE III

The Developer acknowledges that various of the specific undertakings of the City described in this Article III may require approvals from the City Council (and other City bodies) and other public bodies, some of which approvals may require public hearings and other legal proceedings as conditions precedent thereto. The City's agreements under this Article III are conditioned upon the obtaining of all such approvals in the manner required by law. The City cannot assure that all such approvals will be obtained; however, it agrees to use good faith efforts to obtain them on a timely basis. As of the date hereof, the only remaining City approvals are plan examination for the Community Facility building at 833 Kane and construction permits, provided, however that Developer acknowledges the City further does an annual compliance review with respect to the Project and this Agreement.
