Greetings Council Members,

I am writing to express that I hope you will all vote to rescind your offer on the Maple Grove property tonight.

As someone who has become much more informed about the homelessness situation the city is facing over the last few weeks, I encourage you all to find a better, more long term solution than the Maple Grove Motel.

I understand that this is a very complex issue that you all are trying to deal with. I also read the Salvation Army's letter and I hope that your team will also work more openly moving forward with the experts/resources already put in place for homelessness.

Thank you. Bethany (District 13)
